

Are you ready for a “life-defining week” this summer? We have witnessed God move each summer at Summit Camps. When we began our Summit Camps in 2010, our goal was to create a place where students and adults would encounter God. There isn’t a better place for your students to be this summer than **Summit 2026!**

Summit has grown so much that we are offering an additional week this year: Summit Mission Camp (SMC).

Summit Camp Dates for 2026

****Summit Mission Camp - June 29-July 3** - NEW for 2026**

Summit Week 1 - July 13-18

Summit Week 2 - July 20-25

Summit Camp Cost

****Mission Camp - \$215 - per Student** - NEW for 2026 (Sponsor \$195)**

Summit Camp - \$190 - per Student

Summit Camp - \$170 - per Sponsor

Both Mission and Summit Camp - \$350 per person

****Cost includes all camp programs, camp t-shirt, drawstring bag, water bottle, lodging & meals.****

Summit Mission is open for students who have completed grades 9-12 and Summit camp is for students having completed grades 6-12.

When registering for Summit Mission Camp, keep in mind that we are keeping that camp to under 75 students because of the nature of the camp.

When you register your group for Summit 1 or 2, please indicate which week you are choosing. The capacity of our camp is about 180-190, although with some creativity it can be slightly expanded. However, we plan to hold each camp at or below the natural capacity of the camp. Preliminary reservations will be made for each week on a first come, first served basis. If we receive a request for reservations after one of the camps has reached the 150 mark, we anticipate filling the second week of camp to at least 100 people before moving back to fill the first week with more participants. If a week that is nearing capacity is selected, I will contact that church to encourage them to consider the other week. Also, if your church will be sharing sponsors with another church, you will have to make those arrangements and come to an agreement on which week your churches will attend. Please let me know of these arrangements so that cabins can be appropriately assigned.

If you are new to Summit, our philosophy of camp is for our team to lead all of the youth Bible studies, track times, recreation, and worship. Your adult sponsors will have the responsibility of staying in the cabins with your group, encouraging your youth to participate in the entire program, worshipping with your youth, leading your group in Church Group devotions, and building relationships with your youth that they can take back home with them when Summit is over.

**All camp forms, schedule, and what to bring are available at
Mountain Top Assembly Website
<http://www.mountaintopcamp.com/>**

The only paper forms that will need to be printed, completed, and brought to camp this year are:

- **the worker addendum (one for each sponsor)**
- **participant form (one per camper and one per sponsor) .**

**If you have any issues printing these forms from the website,
please contact Ed Tharp at 307-258-4562 to obtain your copies by mail.**

(see important deadlines on next page)

Here are some dates you will need to know:

The first deadline for registration: ESTIMATE NUMBERS AND WEEK: April 10th—We will need your expected number of campers and sponsors and the week(s) you plan to attend. The Google Form to collect this info can be found on <http://www.mountaintopcamp.com/>. If you plan to attend Mission Week AND Summit week, I will need to know numbers for both weeks. This will be an option in the Google Form. Google forms allow me to collect all info from each church easier and have it all in one document. You will not be tied to these numbers, but they will help us in our initial planning, so please try to keep these numbers pretty accurate. The info needed includes the following:

- Name of Church, Name of Contact Person, Contact Person Phone Number
- Week # Attending: Summit 1 OR Summit 2, Mission Week
- Number of Boy Campers, Boy Sponsors, Girl Campers, and Girl Sponsors

Second deadline: DEPOSITS DUE: May 1st—This is a google form found on the camp website to collect **deposit information, student/sponsor names, shirt sizes, and more. Please make a \$50.00 deposit per camper and per sponsor. Please note these deposits are non-refundable. Also, a reservation is not secured until the deposit is received.**

They can be transferred to another participant for whom no deposit has been received, but there can be no exceptions for refunds. Please submit this information on or before May 1st.

Checks are to be made out to Mountain Top Baptist Assembly (MTBA)

and mailed to Ed Tharp, Summit Director
1930 Boyd Avenue
Casper, WY 82604

This year, we have the option to pay your deposit and camp fees electronically (fees apply).

If you would like to do this option, please visit the MTBA website.

<http://www.mountaintopcamp.com/>

There is a link at the bottom to pay deposits and remaining fees.

Alternatively, you can contact Jackie at 307-267-6327.

FINAL CHECK: June 15th for Mission Week and July 1st for Summit 1 and 2—After you have submitted the May 1st Deposit google form, you will receive a “live” google sheet via email with all the info you entered. **This is where you can make any changes needed. (If a student drops out, you add a student or sponsor, spelling of names, etc.).** Last year, both camps were near or over capacity. So try to recruit early, and solidify these numbers early. This sheet will help me expedite the check-in process upon arriving to camp and assign cabins and duties before camp begins.

Please note, in other years, we have been quite flexible surrounding the May 1st date and deposit deadline. Due to the high attendance that we expect, we will have to enforce the non-refundable aspect of that deposit as described above. Camp is on a first come basis, so make sure to get your forms and deposits in. **Also, a reservation is not secured until the deposit is received.**

Make duplicate copies of the Participant Form and the Worker Addendum form. These forms can also be downloaded from the Mountain Top Baptist Assembly Website, (mountaintopcamp.com), then follow prompts to Summit. Bring these forms, filled out and ready for each attendee, when you come to camp.

Here are some ways that you can help as we prepare for another great year at camp!

1. **Pray!!** No matter how much we plan and prepare, unless God breathes His Holy Spirit upon Summit, it cannot be successful.
2. Get your youth excited about Summit 2026! If you would like a promotional video to share with your youth or church family, please let us know and we can send it to you.

It's going to be another great summer!

Hope to hear from you soon and see you at Summit 2026!

What to Bring to Summit

1. Sleeping bag and pillow, or linens for a twin bed; towels, and all personal articles such as toothbrush, shampoo, etc... There is no store available to purchase personal care items. *(For emergencies, contact the health care provider.)*
2. Flashlight for use in the evenings and for travel to and from the bathhouse after dark.
3. Appropriate clothing (see Dress Code): some older clothes and tennis shoes may be needed for some chosen tract times or outdoor recreation. It is wise to bring a rain jacket, sweatshirts, and clothes for layering, as this is a mountain camp, and it can be quite chilly even in the summer. Bring enough clothes for the week, as laundry services are NOT available.
4. Bible, notepad, and pen.
5. Articles needed for participation in possible talent opportunities throughout the week, such as props, tape tracks, music, instruments and costumes.
6. Spending money—A mission's offering will be taken during the week. The Summit Store and a snack shop will be open at various times for purchases. Some track times may require a small additional cost. NOTE: Campers do NOT need to bring too much extra money, and may want sponsors to hold it for them until needed.
7. A camera/video camera (optional). MTBA is not responsible for loss or damage. Note: no videoing or photography is allowed in the cabins or bathhouse.

Some Things to Leave at Home

1. Alcohol, tobacco products, and illegal drugs. Appropriate action will be taken if these are found in anyone's possession.
2. Fireworks or matches
3. Weapons of any kind
4. Cell phones unless held by your church sponsor to be used by camper to call home at designated free times
5. Water guns, water balloons, shaving cream, etc. "Playful" use of such items is taken very seriously.
6. Skateboards, roller blades, and bicycles are not allowed at camp.

Dress Code...

Summit has a simple dress guideline for everyone: **modest**. Each adult sponsor has responsibility to ensure this guideline is communicated to students and is met while at camp. Although it is not the responsibility of the camp or team staff to monitor the dress code, the directors have final say about dress code issues.

All students and adults are asked to refrain from wearing any apparel displaying ads for or images of alcohol/tobacco products, immoral celebrity or music groups, or distasteful designs.

Modest shorts, dresses, slacks, and jeans are appropriate for worship. Students participating in on-stage activities during worship are asked to wear either long pants or a long dress.

Campers can only wear what they bring to camp. So, please communicate these guidelines to them prior to packing and leaving for the week.
