You are invited to join Aion Community's private poker club for the upcoming AION Community Poker Invitational 3. If you don't already have it, download the free PokerStars software from <http://pokerstars.net>. You may get redirected to <http://pokerstars.bet> if you are in a location where online real money gambling isn't allowed, but that's ok. When signing up, since this is for the Aion Community and to facilitate prize distribution and simply knowing who you're playing with, it'd be nice if your username in PokerStars is the same as/or similar to your Telegram/Discord username. Open the main poker lobby, then click on the **Home Games** tab in the bottom right of the side menu. Click the '**Join a Poker Club**' button and enter the **Club ID number: 3664902** and enter the **Invitation Code: community**

That's it! Once we've approved your club membership request, you'll be able to play in the AION Community Poker Invitational 3 coming up on **April 10th, 2021!**

REGISTRATION FOR THE TOURNAMENT IS NOW OPEN

Remember to register for the tournament AFTER being accepted into the club under "Schedule" (you'll need to check back in the pokerstars program to find out if you've been accepted, you can contact Yashnik to get quick approval).

Tournament name in the club is **Aion Poker Invitational 3**.

The tournament will not require any fiat money to be involved, that's right, it's free to enter!. All you need is enough Play Chips to cover the buy-in. Please be patient once the tournament is over and you have contacted Yashnik regarding your prize winnings. There will be some time needed to review game play in certain conditions (bounties for example) and this tourney has many more prizes and will simply take more time.
