

Privacy Policy for "Quiz" App

Last Modified: July 9, 2023

This Privacy Policy outlines Our approach to the collection, utilization, and disclosure of Your data when You engage with the "Quiz" App, highlighting Your privacy rights and how you are safeguarded under the law.

We utilize Your Personal data to enhance the Application. By leveraging the Application, You consent to the gathering and utilization of data in line with this Privacy Policy.

Explanation and Definitions

Explanation

Words that begin with a capital letter possess meanings specified under certain conditions. These definitions maintain the same meaning whether they occur in singular or plural form.

Definitions

Within the scope of this Privacy Policy:

Application implies the "Quiz" App, created by [Company Name].

You signifies the individual accessing or utilizing the Application, or the company, or other legal entity that such an individual represents in accessing or using the Application, as applicable.

Gathering and Utilization of Your Personal Data

Categories of Data Gathered

Usage Data

Usage Data is gathered automatically during the Application's usage. This may comprise data such as Your Device's Internet Protocol address (e.g., IP address), browser model, browser type, the pages of our Application that You browse, the time and date of Your visit, the duration spent on those pages, unique device identifiers, and other diagnostic data.

Employment of Your Personal Data

The Application neither stores nor shares any personal data. This signifies that we do not store Your name, email address, or other personal details. We only employ the personal data that You supply directly within the Application. The Application does not gather any personal data when You utilize the Application, apart from the Usage Data mentioned above for the improvement of the Application's functionality.

Preservation of Your Personal Data

The Application does not preserve any personally identifiable data.

Protection of Your Personal Data

While the security of Your Personal Data is significant to Us, bear in mind that no mode of transmission over the Internet, or method of electronic storage is 100% secure. Although We endeavor to employ commercially acceptable methods to shield Your Personal Data, We cannot guarantee its absolute security.

Children's Privacy

Our Service does not address anyone under the age of 13. We do not knowingly amass personally identifiable information from anyone under the age of 13. If You are a parent or guardian and You become aware that Your child has furnished Us with Personal Data, please connect with Us. If We ascertain that We have gathered Personal Data from anyone under the age of 13 without verification of parental consent, We take measures to eliminate that information.

Links to Other Websites

Our Application may contain links to other websites that are not operated by Us. If You engage with a third-party link, You will be directed to that third party's site. We strongly encourage You to review the Privacy Policy of every site You visit.

Modifications to this Privacy Policy

Our Privacy Policy may be updated occasionally. We will inform You of any modifications by posting the revised Privacy Policy on this page. You are advised to review this Privacy Policy periodically for any changes.

GDPR Privacy

For the purpose of this Privacy Policy, we function as a Data Controller of your personal information. If you are from the European Economic Area (EEA), our legal basis for amassing and utilizing your personal information, as delineated in this Privacy Policy, depends on the data we amass and the precise context in which we amass it. We may process your personal information because you have permitted us to do so, or because it is in our legitimate interests to do so.

CCPA Privacy

Under the CCPA, among other rights, California consumers have the right to: Request that a business that collects a consumer's personal data disclose the categories and specific pieces of personal data that a business has collected about consumers. As mentioned, our application does not collect any personal data.
