Dear _____,

I hope you are doing well! *personal note to recipient* (It was great seeing you at_____, I was glad to hear that _____, how did _____go?)

I am participating in Dance Project's *2022 Dance Marathon* on May 5-7. This is a local non-profit organization committed to making professional quality dance education accessible to as many people as possible. All donations go to Dance Project to help ensure that we may continue to provide unique and vital opportunities for our community through dance. I, along with many other dancers, will take part in this three day dance marathon event to fundraise and celebrate the joy of dance! The event will consist of two days of in-person activities culminating in a virtual finale which will be streamed live and feature dance performances, dance classes, a step-by-step community dance, impact speakers and more!

My personal fundraising goal for the marathon is \$_____. Please consider making a donation for Dance Project. Below is the link to my fundraising page where you can make a donation. All donations are tax-deductible.
