Dear Incoming 4th Grade Students and Families:

Welcome to the upcoming 2026-2027 school year!

Below are supplies your child might need to have a successful year in 4th grade. Your child will be provided with regular school supplies, but these are a few we find useful.

Mr. Ureño/Mr. Rassoulpour
• Three-5 subject spiral notebooks (8 1/2 by 11) • One box of dry erase markers multi-colors • One box of black dry erase markers
<u>Donations</u> • Kleenex • Dry erase markers color or black • Babywipes • Copy paper • Cardstock copy paper: blue, green, white, red, yellow

If you are able to donate extra materials to your child's classroom, we would appreciate it greatly. We look forward to a wonderful 2026-2027 school year!

Sincerely,
Mr. Ureño/Rassoulpour
