Lunch Bag Book Report

Students will decorate a paper lunch bag with the illustrations and information related to the book they read using the directions below.

FRONT OF BAG: Decorate the front of the bag to look like a book jacket cover. Be sure to include the Title and Author of the book.

RIGHT SIDE: Make a list of the main CHARACTERS.

LEFT SIDE: Describe the setting in one sentence: "This story takes place"

BACK OF BAG: Draw a picture of your favorite scene from the book. **Write one sentence describing the scene.**

Inside the bag: Place two objects representing each of two characters and one object representing something from the story. Be ready to tell about them.

All the templates for this lunch bag book report will also be available to download from the summer reading website: St Luke School>Wildcat Den>Library>Library>Summer Reading>Rising First Grade.

This link might be helpful for students who want to write rough drafts for the sides of their bags before doing the final copies. Also, if students mess up or want to redo any section of the bag, they can just print new copies from the web site.
