Experience:

Dean, College of Business, American University of Iraq-Baghdad (AUIB), 2021- present

As a dean, I am the chief academic and administrative officer of the College of Business. I developed the College's strategic initiative through 5-year strategic plans. I provide leadership in AACSB accreditation, faculty assessment and development, human resources, institutional assessment, curricula development, advancement and external relations, and student development. I also participate in the University's planning and policy setting.

Chairperson, Department of Economics, 2014-2017, Notre Dame University, Lebanon

Chairperson, Department of Accounting, Finance, and Economics, Notre Dame University, Lebanon, 2004-2014

As a chairperson, my role included but was not limited to, monitoring faculty and staff performance, setting plans and timeframes for curricula review, assessing programs, faculty, and outcomes, evaluating files of job applicants, participating in the development of strategic plans, goals, and actions, acting on AACSB accreditation standards and coordinating AACSB accreditation reports.

- Professor of Economics, Notre Dame University, Lebanon, 2013-2021
- Associate Professor of Economics, Notre Dame University, Lebanon, 2007-2013
- Assistant Professor of Economics, Notre Dame University, Lebanon, 1998-2007.
- Visiting Professor, Bordeaux School of Management, France, 2006-2010
- Instructor of Economics, Mary Baldwin College, U.S.A., 1997-1998.
- Teaching Assistant and Part-Time Instructor of Economics, Syracuse University, U.S.A., 1993-1997.

Education:

1. Ph.D. in Economics, Syracuse University, U.S.A., 1998
2. Certificate in University Teaching, Syracuse University, U.S.A., 1998
3. M.A. in Economics, Syracuse University, U.S.A., 1990.

4. B.A. in Economics, The University of North Carolina at Charlotte, U.S.A., 1988.

Research in Progress:

1. The Relationship between Expatriate Remittances and Domestic Tourism: A Comparative Panel Study for the Developing and Developed World.
2. The Relationship between Bank Consolidation and Financial Stability

Other Professional Activity (selected)

1. Economist and statistician on a project sponsored by the European Training Foundation (ETF) entitled “Skills Gap Analysis in the Manufacturing Sector” (2019). I designed the questionnaire, analyzed the results, drafted the final report, and presented the report to stakeholders.
2. Member of the Scientific Committee, City Street Conference. Notre Dame University (2018). This is a multidisciplinary conference concerned with urban planning.
3. Economist and labor specialist and a member of the steering committee on ILO project entitled “Rapid Assessment of the Syrian Refugees in Lebanon: Employment Profile and Implications on Labor Markets” (2013). My role was to review the questionnaire and then draft a complete report analyzing the Lebanese labor market and assess the effect of Syrian refugees on employment and wages.
4. Research team leader on a project funded by the National Council for Scientific Research dealing with the relationship between saving and economic growth in Lebanon (2010). I was the leader of a team of three professors that was granted a fund to do academic research on an economics topic related to the Lebanese economy. We chose to save as an engine of growth and on the effect of Lebanese remittance transfers on economic growth. The outcome of this fund was three publications in academic journals.

BIOGRAPHY

5. Senior Consultant and Editor of “The Arabic Glossary for Development Terms.” Published by ESCWA, The World Bank, and Imam Sadr Foundation.
6. “The Arabic Glossary for Development Terms” is a book that defines the different development terms in Arabic. This serves to establish unified Arabic definitions and interpretations to the different terms. I was a senior editor that defined and translated some terms into Arabic. In addition, I edited and corrected the interpretations and definitions of some terms.
7. •Deputy Director of Labor Market Study and Senior Consultant and member of the steering committee on a World Bank/Ministry of Education and Higher Education project- January 2003-November 2003.
8. This is a comprehensive study that linked the Lebanese labor market needs to the vocational and technical education system in Lebanon. It required a complete evaluation of labor demand (from an enterprise’s perspective) and labor supply (vocational and technical education students). A report was submitted to the World Bank that had a complete analysis of the Lebanese labor market. It linked the labor market needs to the educational system. This report was based on a survey that covered all the Lebanese economic sectors.
9. Researcher on a project sponsored by the Institute of Applied Social Science (Norway) and the Ministry of Social Affairs (under the supervision of UNDP). The project was entitled “Living Conditions in Lebanon.” My role was to investigate Housing Conditions in Lebanon. 1998.

Participant and Chair of Panels at National Workshops

1. Participant in a workshop organized by the Ministry of Education and Higher Education about labor market needs and vocational and technical education. Dikwane, March 2004.
