

Setting Up Google Chrome & Drive On iPads

In order to successfully log in to the Google Drive app with your SPPS Apps account, you must follow these step-by-step directions in the precise order.

1. Download and install Google Chrome app  and Google Drive app  from the SPPS Apps Store = Self Service. 	2. Tap Chrome app to open and then, tap the blue “Accept & Continue” box 
3. On the Blue Screen, swipe until the Orange screen and click on SKIP on the bottom left corner. 	4. Click on “Don’t Allow” on the pop-up! 
5. In the menu bar type in: start.stpaul.k12.mn.us 	6. Log in to authenticate into SPPS using Active Directory using s##### + password (-azz). * Log in like you would into a computer at school.  *401/404 Error on login? See troubleshooting at the end of this sheet.
7. In Chrome, click on the 3 dots in the upper right hand corner (Menu icon). Then tap “Settings” from the dropdown. 	8. In the Login box, enter your full SPPS Apps email (_____@stpaul.k12.mn.us) and press blue button. NO PASSWORD is needed.  <i>Flip sheet over for the rest of the steps!</i>

9. After you have logged in, click **“Ok, got it.”** (blue)

10. Click **Done** after you see your name.

Done

11. Click home button or close Chrome.

Open Google Drive  and click **“Sign In”** on the bottom LEFT corner.

12. **Click on your name** and ta da! All your work should appear (if you have any in Google Drive!).

Congratulations! You have just finished syncing your Google Chrome to Google Drive!

Google Chrome Troubleshooting Area

****ONLY follow these directions below If you see the “404 Error”**

1. After you see the “401/4 Error,” go to the top right side of the Chrome browser window and tap on the 3 dots. On the drop down menu, select **“Settings”**

2. Scroll and tap on **Privacy**. Then, tap **“Clear All”**

3. Quit Chrome by **double-clicking** the home button. Flick Chrome so it completely quits.

4. Tap Chrome and try to log in again at **start.stpaul.k12.mn.us**

* If you continue to have problems, please see a teacher or staff member for more assistance!
