

Session 1: Smartphone Basics 📱

Welcome to the world of smartphones! Here's a quick recap of what we covered:

- **What is a Smartphone?** A mini-computer in your pocket!
- **Power On/Off:** Find the power button (usually on the side). Hold it down.
- **Touchscreen Basics:** Tap, swipe, pinch-to-zoom.
- **Notifications:** Alerts from apps (messages, updates).
- **Calls & Texts:** Making calls and sending texts is easy! Find the phone/message app on your phone.
- **Apps:** Small programs for everything! Tap their icons to open.
- **Downloading Apps:** Use the app store (Google Play Store or Apple App Store).

Practice makes perfect! Keep exploring.

Session 2: Camera Use 📷

Let's talk about using your camera and staying safe online:

- **Using the Camera:** Open the camera app. Tap to focus, tap the button to snap a photo.
- **Viewing Photos/Videos:** Find the gallery or photos app.
- **Sharing Photos:** Use messaging apps or social media.
- **Scam Safety:** Be wary of suspicious emails, texts, and calls! Never give out personal information. If it sounds too good to be true, it probably is.

Stay vigilant and protect your personal information online!
