Fullbody & Color : 55\$

BACKGROUNDS

Transparent / Flat color (Default) - FREE

By default, I will provide you with a version of the image with a transparent background or a simple white color background (depending on color choice). If you would like a simple shape / gradient / spiral background, just let me know and I can create a version with one free of charge!

Object/ Partial background

For a background consisting of 1-2 objects in an otherwise empty scene

(For B+W images): + \$10 to current price

(For Color images): +\$20 to current price

Full background / Scene

For complex flat backgrounds or scenes

(For B+W images): + \$20 to current price

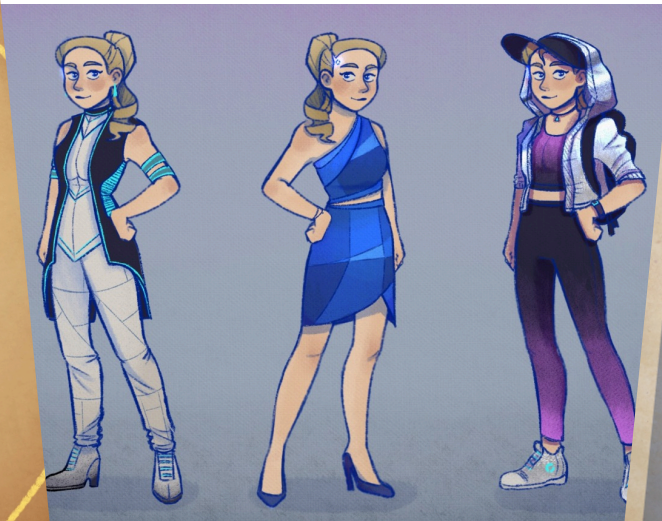

(For Color images): + \$35 to current price

For multiple characters, add $\frac{3}{4}$ of your base price, as much as needed.

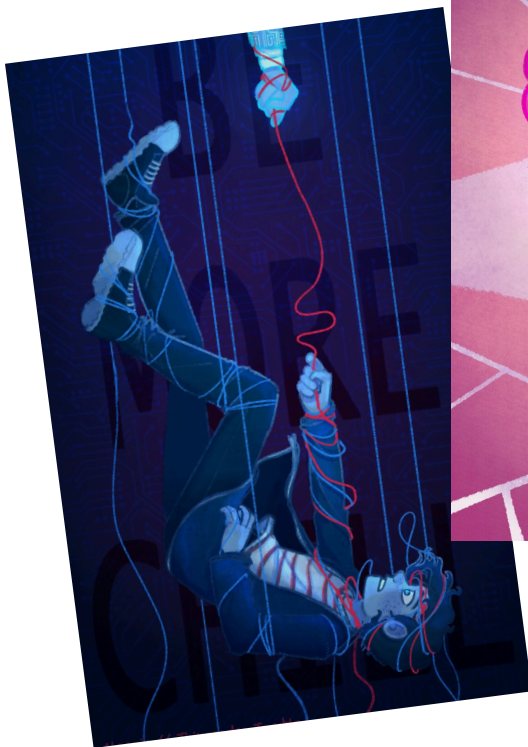

For detailed props or pets, an additional \$5 - \$10 may be added based on complexity!

Note that I can refuse a commission for any reason.
