≡ Google Translate

The screenshot shows the Google Translate interface. At the top, there are four buttons: 'Text', 'Images', 'Documents', and 'Websites'. The 'Websites' button is circled in red. Below these buttons, there are two language selection dropdowns. The first dropdown, labeled 'Detect language', has 'English' selected. The second dropdown, labeled 'Spanish', has 'Spanish' selected. Below the language selection, there is a large text input field labeled 'Website' with a blue arrow button to its right.

- Escriba la URL completa de su sitio web en el cuadro de texto:
<https://sites.google.com/wcps.k12.md.us/special-education-parent-port2/home?authuser=0>
- Seleccione el nuevo idioma al que desea traducir su sitio web.
- Haga clic en el *Traducir* botón.
