Located at a distance of only 2 km from the taluka, this school is famous not only in the taluka but also in the district for its various educational activities.

The school with the highest number of students from the primary school is proving its quality in education during this period.2021-2022

Activities in the Corona period

1) **WhatsApp Group** – We First created a children's WhatsApp group. In this group we regularly sent students homework, various tasks, activities, books in pdf format to read, assessments , various online competitions, etc.

2) **Dance Competition** - It is a hobby of the students to dance so we formed groups according to the class. The students recorded dance video of their favorite song and sent it to the what's app group. The first, second and third numbers were drawn from it.

3) **Online Study Z. P. Gondia** – The google quiz link under the online study program organized by Gondia education department was sent to the group of students and they solve it.

4) **Drawing Competition** - As students love drawing, their drawing competition was conducted online. The subject was corona virus, covid-19 children draw pictures and sent them to WhatsApp, from which the first, second and third numbers were drawn.

5) Speech Competition - In this competition students were given speech topics. Based on that, the students made a speech and sent a video. The first, second and third numbers were drawn from it.

6) Poetry Singing - Students sing poem from their class in their own voice and recorded it and sent to it on WhatsApp group.

7) Helping the parents in the housework - As their parents are doing regular housework, the students help them in their house hold work.

8) Great Person's Birthday / death anniversaries Program -Great Person's Birthday / death anniversaries were celebrated online by sending them to WhatsApp on a dates. The students were informed about the work done by them by sending information and photos about them in pdf format.

9) National Festivals - This year, due to the corona virus, Independence Day and Republic Day were celebrated in the absence of students, but our students sent dance on patriotic songs, singing a song and speeches to the WhatsApp group from their homes.

14) Zoom meeting – we done educational work of online study, by using the zoom app, the students were taught and their studies were done.

5) Google quizzes - Students were evaluated and given marks through google quizzes.

<https://forms.gle/1DgpNBf3UWMWh3Vf8>

16) Parent Contact – Students health and education information was obtained by contacting the parents mobile number.

17) Work Experience Initiative Subject - Under this activity, various home decoration items were made from waste items . Accordingly the students created various objects in this work experiences.

18) Swadhyay activities - The questions in the Swadhyay activities were regularly solved by the students and reviewed by teachers in every Saturday.

19) Story Saturday - The story and task in pdf format of this activity is sent to WhatsApp take reviewed every Saturday.

20) Give Missed call and listen the story - This initiative program of the government, even if the student does not have an Android mobile, they listen to the story by making a missed call on **08033094243** from mobile phone .

In this way we engaged the students in various activities during the lockdown by following the instructions of covid-19.

Activities after school started after Corona

1) **Use of evm for school cabinet election** - In my ZP school, school cabinet election was held democratically using VOTING MACHINE APP TAB.

2) **Use of KARAOKE MIC in assembly and teaching** - KARAOKE MIC is used for musical assembly. Also BLUETOOTH MIC is used in class activities.

3) **Use of different android APP** - Using different ANDROID APP in school teaching brought interest for student in learning e.g. Animal 4D, ezeetest, Diksha app, BOLO app, READ TO ME, EPATHSHALA, Jungle safari, YOUTUBE etc.

4) **Computer Education** - Giving computer knowledge to all students through Microsoft word and paint.

5) **activities Videos Production** - Various videos of school students poems, dances ,activities have been created and uploaded on YOUTUBE channel named as **ZPBIRSI**.

6) **Leaf for Word** - With this method of teaching English, students fear of English subject disappears and they are communicating in English.

7) **Navodaya and Scholarship Practice Classes** - Navodaya and Scholarship Examination taching classes are conducted regularly in the school. Last year 3 students from the school have qualified in the Scholarship Examination.

We give Information about all these activities for everyone by facebook, whatsapp, newspaper, blog. Through this, it is sent to other teachers and the community. And through this, other teachers carry out such activities by taking inspiration.
