Junior Olympian Program (JOP) Coordinator Report

Prepared for Dec 1 2022 AGM

Submitted by Susan Lemke

Our JOP program is going into the Indoor 2022 – 2023 season. We have been fortunate to have a few from our fall lessons session decide to stay on and work on the JOP program, as well as few from summer intake program always good to see the new and existing young folks working on skills and developing goals for future events.

We currently are in a rebuild with members participating in the Provincial Junior Olympian Program (JOP). The JOP Program is a Provincial Program offered by BC Archery Association. The program has undergone some revisions this past year.

2021 - 2022 we saw several of our older JOP members move on in life, notably Daniel Wood, Mariessa Pinto, and Daniel Dawda who were excellent role models for our up and coming.

The JOP indoor mail match is running. From October 2022 to the end of February 2023. The JOP mail match is open to archers shooting on a 40cm target face with the submission of top score each month to the Co ordinator for updated

Every excited for the rescheduling of the 2022 BC Winter Games, now will be held March 2023 in Vernon. Starr Zone3 trials scheduled for Dec 11th with our Starr youth competing.

JOP Mailmatch 2022 saw the following results

Kyra Erickson finish in 2nd place,

Daniel Wood in 1st place.

Alayna Hillier 1st place

JOP Indoors 2022 saw the following results

Claire McKay finish in 1st place, for PreCub Archer Recurve

Alayna Hillier 1st place Expert Bowman Recurve

Kyra Erickson 1st place Champion Bowman Recurve

Daniel Wood 1st place Olympia 265 Recurve.

JOP Indoors Regionals 2022 saw the following results

Megan Bright Junior Archer 7th place

Caydon Nicholes Archer 3rd place

Claire McKay Archer 2nd place,

Alayna Hillier Expert Bowman 1st place

Kyra Erickson Champion Bowman 2nd place

Daniel Dawda Olympian 240-260 3rd place

Daniel Wood Olympia 265-280 2nd place.

Every Day we face new challenges and Linda, Marc, Richard and Angela continue to keep the wheels on and afford us the opportunity to provide a great program

Thank you to everyone involved,

Sincerely Susan Lemke

Tournament Coordinator Report

Prepared for December 1, 2022

Submitted by Linda Price

In addition to regular club programming, STARR provides tournament opportunities for both the Indoor and Outdoor season. Hosting tournaments and mail matches for Archery Canada involves time and effort and we appreciate the volunteers who assist with this. Competition opportunities were restricted in early 2022, due to COVID.

Tournaments and Clinics Hosted or supported by STARR

Current fees for Indoors \$25.00

Current fees for Outdoors \$20.00 per event or \$30.00 to attend both on one date.

Presidents Report

Prepared for December 1, 2022

Submitted by Larry Lemke

President's Report for the Indoor and Outdoor Season from October 2021 to September 2022

I would like to thank all our members who flowed with the changes, managed to survive the ever-changing landscape of a Pandemic and post Pandemic. The continued dedication of board members and supporters has been tremendous. Susan and Linda put in many hours outside of the on-range time that members see, creating the necessary documentation and schedules to keep STARR going and I would like to acknowledge their dedication to the continued availability to archers for development and support of our national team athletes.

I am very grateful to all the hours that Marc Turmel has put in to get the Page Rd range set up for our 2022 Outdoor season. All the blackberry bushes have been once again cut back, the pond area cleared, the range markers put into place, and he has constantly mowed and relined the field for the use of all our members.

I would like to thank Angela Foley for stepping in to assist with lessons this year, as well as early club start up times. Her continued support of indoor set up is appreciated.

Also for all the members that have participated in the Archery Canada Mail match, I would like to thank both Angela Foley and Richard Benstead for returning to and managing this program both in the Indoor and Outdoor seasons. It has been very successful for our STARR members with many medals won!

We look forward to a good indoor season for 2022 / 2023 and send along best of luck to all our participants stepping out to the next level of their archery.

Respectfully submitted: Larry Lemke
