

BACHS Family School Improvement Meeting #2

February 20th - March 6th

1. **Ideas for Winter Family Event:** We are looking for ideas to hold a family event in the winter next year. It does not have to be at BACHS, it can be somewhere in the community. Some examples of ideas are: Bowling with pizza/pop provided, planetarium show, tour of the Edson.

Please list some ideas below:

2. **Parent portion of Family Compact:** Right now our family compact parent portion is listed below. We would like to make some changes to this to make it items that most parents can agree to and do with their child. Take a look below and make comments on what you think should be removed, what could possibly be added, or verbiage that should be changed. We would like to utilize this more often in meetings with parents/students but we want to make sure it is achievable and equitable

AS A FAMILY MEMBER/PARENT/GUARDIAN I WILL:

- Monitor attendance and assignments at least weekly
- Speak in sentences and require that my child does the same.
- Encourage empowerment by:
 - Modeling positive behavior
 - Praising my student's accomplishments
 - Acknowledging my child's responsibility for behavior, choices, and consequences
- Challenge my child with enriched vocabulary
- Provide a positive home environment
- Read all notices from school and check social media for additional information
- Participate in decisions relating to my child's education

Comments/Suggestions:

- 3. Michigan Continuous Improvement Plan Goals:** We want to make sure that all of our families know what our school goals are. Below are the goals we have in place until 2028. Please take a look at these goals and familiarize yourself with them. If you have any questions/concerns/suggestions about the goals please feel free to comment below.

Goal #1: Increase family engagement to an average of 50% attendance for all Family events run at BACHS during the current school year and until 2028.

Strategies to achieve the goal:

- Student/family Engagement Coordinator
- Promote community awareness
- Hold 2-3 family events a year
- Top Dog Mentor Contact/Outreach
- Pantry Access for all
- Crisis supplies for students/families in need
- Holiday food boxes for families

Goal #2: To provide students with a respectful and kind atmosphere as measured by Discipline data, perception data, staff surveys, student surveys, parent survey by 2028.

Strategies to achieve the goal:

- Restorative justice training
- Mental health guest speakers
- Counseling supplies
- Social/Emotional Learning training
- Trauma Training
- Unconscious Bias training
- Community building activities
- Mental Health Counselor on site
- Basic needs pantry access
- Field trips in the community
- Career fair/career panel
- Earth day activities
- Positive notes home
- Lunch club
- Yoga club

Goal #3: Improve academic achievement with an emphasis on reading comprehension: 30% of all students will increase growth by 2 points each year on the NWEA Reading test.

Strategies to achieve the goal:

- Classroom Library Improvement
- Supplemental Reading Supplies
- Real World Lab Experiments
- GED Prep Books

1 on 1 English Novels
Summer School Credit Recovery/E2020
DBQ
LLI Reading Kits
VR Goggles
Targeted Interventions
Annotations
Subscriptions to Periodicals

Goal #4: Increasing math fluency by 1 point on NWEA scores from Fall to Spring testing of each school year, 2025, 2026, 2027, 2028.

Strategies to achieve the goal:

Numeracy Drills
Tutor/Certified Teacher
Math Foundations Course
IXL Math Intervention Program
Supplemental Certified Math Teacher
Attendance Interventions
Cross Curricular Activities
Real World Lab Experiments

Comments/Suggestions/Questions:
