20 Additional ElectricNOW FAST Channels

The new channel lineup includes established entertainment brands, specialist programming and distinctive voices from around the world.

- **CaribVision** — The Caribbean's premier English-language television channel, showcasing the region's culture, entertainment, lifestyle, news, sports and current affairs.
- **PickleTV** — Programming dedicated to all things pickleball, serving fans and enthusiasts of the fast-growing sport.
- **Vasari Streaming Art** — Art for television, bringing together works from major museums around subjects ranging from the Renaissance and Baroque to landscapes, seascapes and Japanese art. Each hour-long program combines identified artworks, narrated stories and classical music.
- **ZAZ Gamers** — A 24/7 gaming and entertainment channel celebrating gaming culture past and present, featuring the revival of *Cybernet*, game reviews, news, interviews, gaming facts and exclusive content.
- **GALLI Lucha Libre** — A high-energy bilingual channel blending authentic Mexican Lucha Libre with American wrestling.
- **Midwest Whitetail** — A digital hunting series following its team throughout the season as they pattern and pursue mature bucks in a semi-live format.
- **Pursue The Wild** — Hosted by Kristy Titus, this outdoor and hunting channel explores backcountry adventures, shooting sports, education and conservation while encouraging support for the Second Amendment.
- **The Fish Guyz** — Captain Lain Goodwin, Earl Byrd III and local fishing personalities explore the Florida Keys, highlighting fishing, tourism and the region's coastal culture, alongside seafood recipes from chef Cat Pheiffer.
- **tonboTV** — A free documentary and edutainment network covering food, home, wellness, music, history and lifestyle, designed to entertain viewers while helping them discover something new.
- **QUBE TV** — An inclusive Canadian French-language channel celebrating Francophone communities through films, series and documentaries that reflect the broader French-speaking population and multicultural diaspora.
- **RedhawkMoonTV** — A global entertainment network featuring international films across genres, short films, podcasts, worldwide news updates and curated music videos.
- **Terra TV** — A Canadian streaming channel focused on diverse voices, cultural representation and community-centred storytelling through films, documentaries, talk shows and socially conscious programming.
- **Gaming Insights and Reviews** — A dedicated gaming destination featuring independent perspectives, reviews, features and insights to help audiences discover more of the gaming world.
- **FearStream** — A 24/7 horror channel featuring scary movies, short films and series exploring ghosts, mystery and the unknown.

- **Mental Health and Human Experience** — Hosts Elizabeth Atkins and Michael Hunter lead thoughtful conversations about mental health and the human experience, featuring experts and notable guests.
- **PLUG tv** — A 24/7 destination for African-originated content, including films, dramas, documentaries, reality programming, talk shows, travel and food.
- **WonderViz** — A dynamic mix of action, documentaries and independent films, showcasing distinctive stories with style and authenticity.
- **Human Stories and Social Impact** — A curated collection of powerful human stories exploring resilience, identity, social justice and the creative spirit across cultures and the natural world.
- **World Exploration and Discovery** — A journey across oceans, landscapes, wildlife and cultures, uncovering the beauty and depth of the world through compelling storytelling.
- **NatureStream.tv** — A 24/7 ambient relaxation channel featuring high-definition cinematic footage of tranquil destinations and breathtaking natural scenery, without narration or distraction.
