Hip hip hooray, you survived your first day!
Was it fun? Did you find your way through the halls?
I want to know it ALL!

1. Did you make a friend/learn someone's name?
2. What was your favorite thing you did today?
3. What did you eat for lunch?
4. Which class do you think you will like the best?
5. Did you get scared during any part of the day?
6. Did you get lost?
7. Do you want to go back?
8. What was your least favorite thing about today?
9. Was anyone nice to you? Was anyone mean to you?
10. Are you feeling ready to tackle this school year?!
