

It's important that God's Word continues after the message. At Celebrate, we find that you will talk over this week's message long after our experience is over. That's because God has lasting impact. The Sermon Discussion Guide is designed to help you continue the conversation all week.

## The Greatest Showman

A Million Dreams. From being a boy to becoming a man. Becoming all that God had purposed and planned. Isn't this what we all have done? Dreamed and imagined what life could be like, if this could happen, or if this might come about. Whether you've ever understood it or not, everything in life begins with a dream. A dream to be married. A dream to have a family, a dream to work, a dream. They awaken us, they inspire us, and they provide hope.

### **Key Life Lesson #1 - Don't miss what's right in front of you, who you have around you.**

We were made to be in relationship with others. Who are the people in front of you? Share with your group how being in community with others helps you.

*Genesis 2:18; Ecclesiastes 4:9-12*

### **Key Life Lesson #2 - The dream of who is found in few.**

Who are the few in your life? Do you have a close friend, an accountability partner? Do you have someone you can share your dreams with, someone to confide in? If not, share this with your group, those who are around you.

*Mark 8:36-37*

### **Life Lesson #3 - The Greatest Showman starts with God, because that's who He is.**

Pursuing dreams is meaningless unless we have a relationship with Jesus. Do you have a personal relationship with Jesus?

*Lamentations 3:22-23; John 3:16; 1 John 4:19; Ephesians 5:2*
