Monday, January 4, 2021

Welcome back students! We hope you all had a safe and relaxing holiday break. If you have forgotten your locker combinations or lunch ID's, your teacher has your schedule.

Your teachers will be reviewing our CR3 Expectations with you each hour this entire week. One area I would like all of us to focus on this new year is respect - respect for ourselves but also respect toward others. We need to be kind in our words and actions. Two golden rules will help us - If we don't have anything nice to say, we should keep those negative thoughts to ourselves and treat others the way you want to be treated. Everyone at CMS should feel great about coming to school and not have to worry about being treated poorly by others. Let's make 2021 the best year yet!

Snow: This is a reminder that you are NOT allowed to throw snow, snowballs, or ice at CMS. This includes recess and while you are waiting after school to be picked up. Doing so will result in consequences according to our student handbook. We want all of our students to be safe!

Recess: You will want to have a winter coat, hats, and gloves at recess. Some of you might also want to wear boots and snowpants to play in the snow. Please bring anything you plan to wear during recess with you to the cafeteria/recess. We will not allow students to return to their lockers once recess/lunch starts.
