- ❖ **Across the Bridge**

As our name suggests, we are a bridge from the world of addiction and life changing circumstances to the hope of recovery. We are a faith based charitable non-profit 501(c)3 Human Services Organization that connects those that are lost back to God, their families and to themselves. We are an umbrella organization that provides meetings of all types, both at our facility in Lawrenceville, Georgia and at the churches and recovery houses that we partner with. We also offer coaching, counseling, free clothing in Men's and Women's closets, food distribution, offer transition opportunities, provide recovery referrals to rehab and sober living facilities, and hold special events that are geared toward those in recovery. Here is our mission statement:

We exist to serve those seeking recovery from addiction and other life changing circumstances. We connect people to the resources they need to recover and heal. We offer group and one-on-one support, mentoring and sponsorship. Our focus is on stabilization, and education, as well as creating a faith-based bridge to sustained long term recovery. Anyone in need of recovery services and support may benefit from our services.
