

Dear Parents/Guardians,

Pequea Valley School District is now using Schoology, an integrated learning management solution that provides course management, mobile learning, and support for system-wide communication. Schoology enables our learners, parents and facilitators to engage with learning materials and their school community from the classroom and beyond. We look forward to using Schoology in our classrooms to enhance connectivity and communication across our school district.

With Schoology, learners can digitally submit homework assignments, review grades, participate in interactive discussions, receive announcements and feedback, take tests, write academic blogs and more. As a parent, you will be able to view your child's activity within the platform. Grades are not accessible at this time. Please continue to use the Sapphire Community Portal for assignment and grade updates.

We value your participation in your child's education, and we encourage you to create a free Schoology account. Attached you will find instructions on how to create, log into, and use your Schoology account.

You will need an access code in order to see (First Name Last Name) (COURSE NAME) course materials. The access code is (Parent Access Code).

If you have questions, please email me at [EMAIL ADDRESS].

Thank you for your time.

Sincerely,

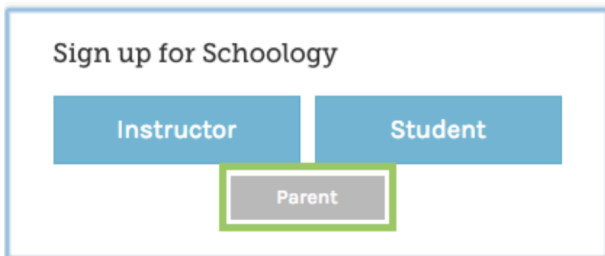

[FACILITATOR NAME]

How To Setup A Parent Account

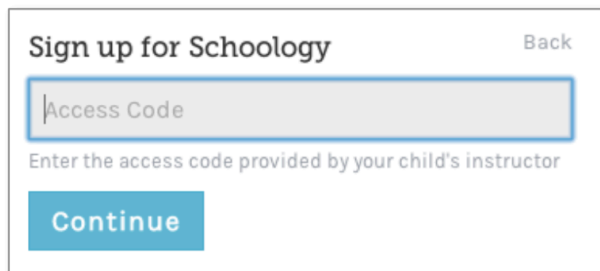

1. In your web browser, navigate to **schoolology.com**
2. Click **Sign Up** in the top right corner of the screen.

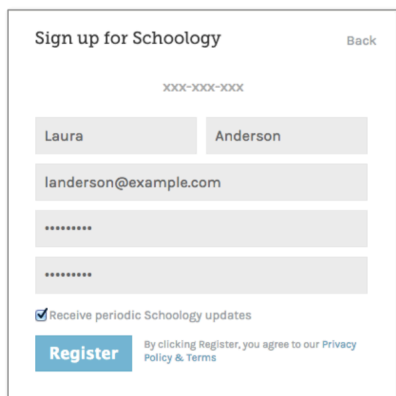

3. Click **Parent**.

4. You should have received an access code from your child's teacher. Enter that code here:

5. Enter your name, email address, and password. Once you login, you'll be able to browse your child's activities by selecting your child's name from the top right drop-down menu.

You also have the option to associate additional children using Schoolology with this account. To associate additional children, click on the downfacing arrow on the top right of your Schoolology account, select Add Child, and enter the Parent Access Code for your other child/children.
