Lady Pioneers Take Down Southwest City Once Again!

By: Maya Hittson, Reporter

On September 28, the Lady Pioneer volleyball team took down Southwest City with a win of 3-0.

Assistant Coach Shawn Teters said, “I believe this team played well overall in this game. Our service game was good, and we played great defense. A weakness for us was not hitting the ball as aggressively as we would have liked.”

Junior Khloe Rock said, “I was very confident in my performance. I felt as if it was very consistent and intentional. I felt like I was very focused, and I didn't let my mistakes burden me throughout the game. I definitely could have been more reactive and prepared on the defensive side. I make sure that I am controlling my thoughts and emotions while also relying on my teammates for support.”

The Lady Pioneers dominated this match and were able to keep the Lady Trojans under a score of 15 each set.

The Lady Pioneers played the Gravette Lady Lions on September 29, falling short by a score of 3-0.
