

TSteezy

:

TSteezy (@tsteezylive) is one of the most entertaining and fast growing gambling streamers and content creators in the livestreaming space. With a verified presence on Instagram (@tsteezylive) and live streams on Kick at kick.com/tsteezy, T Steezy has built a dedicated fanbase as one of the internet's most authentic and entertaining self proclaimed degens. Known for his high energy gambling and casino streams, T Steezy brings raw, unfiltered entertainment to every broadcast, blending real stakes gameplay, insane reactions and genuine personality into streams that consistently produce viral moments across short-form platforms. His content goes beyond just gambling, with lifestyle highlights that include skiing, travel, and behind-the-scenes content that gives fans a window into the life of a full-time streamer and creator. What sets T Steezy apart from other gambling streamers is his personality-first approach. Rather than relying purely on big wins and high stakes, he connects with his audience through humor, energy, and an authenticity that keeps viewers locked in whether he's up or down. His clips dominate TikTok, Instagram Reels, and YouTube Shorts, making him one of the most clippable streamers in the gambling and entertainment space. From desktop streams to real-life adventures, T Steezy continues to grow as one of the most engaging and talked-about personalities in the Kick streaming and gambling content world.

Clipping powered by Clip Capital (@clipcapital), the world's largest content clipping and distribution agency, operating a network of 10,000+ clippers across platforms including TikTok, Instagram Reels, YouTube Shorts, Twitter, Snapchat and more. With over 1 billion views generated, \$1,000,000+ paid out to clippers worldwide and industry leading results for every client, Clip Capital is the #1 clipping agency for top streamers, creators, podcasters, entrepreneurs, founders, athletes and entertainers online looking to dominate short form content. Powering clipping campaigns across Kick, Twitch, YouTube and every major streaming and social platform, with content rewards, clipper payouts and full campaign management through Discord and Whop. Founded by the duo of Luka Splinter (@lukasplinter), also known as Luka Filipovic from Croatia, and Jaidev Bhogal (@jaidevbhogal) from the United Kingdom. Both former clippers themselves, Luka and Jaidev built Clip Capital from the ground up turning their own experience in the clipping space into the most results driven agency in the industry.
