EXPERIENCE

Manulife Philippines

Jan 2025 – Present

Licensed Financial Advisor, Traditional and Variable Life Insurance (Part Time)

Makati City, Metro Manila

- Provided financial advising on protection gaps for middle-net to HNW clients, specializing on family, education, or critical illness planning.
- Offered a range of tailor-fit protection, health, and wealth solutions based on client priorities, needs, and disposable income.
- Issued almost Php15-million worth of protection and health solutions for clients.

Manulife Investment and Trust Corporation

Dec 2025 – Present

Licensed UITF Wealth Specialist (Part Time)

Makati City, Metro Manila

- Provided investment advice to middle-net to HNW clients based on investment horizon, risk appetite, liquidity, and primary goals.
- Possesses strong domain expertise on equity, and multi-asset income funds leaning on United States and Asian markets

NU-M CCIT Student Council - House of Representatives

Aug 2024 – Feb 2026

Block President (INF245, INF243, INF248)

Manila City, Metro Manila

- Led a team of three class officers and managed block sections by cascading class announcements, groupings, and institutional events.
- Volunteered with SC President on suggested revisions for the CCIT-SC Constitution, mainly around the House of Representatives.

Altos Empyreal Branch

Jun 2024 – Nov 2024

Executive Assistant to Agency Lead

Manila City, Metro Manila

- Streamlined Excel sheets using formulas to automate the calculation of monthly, quarterly, and annual production sales results, eliminating manual entry errors.
- Designed Canva presentations for monthly agency huddles, and branch reporting

San Beda Debate Circle

Aug 2023 – Jun 2024

Public Relations Officer (P.R.O)

Manila City, Metro Manila

- Produced publication materials for social media outreach, member recruitment, and commemorative events
- Hosted extemporaneous speaking events, and paneled on debate workshops

12 HUMSS 2 - St. Frances of Rome

Jan 2024 – May 2024

Class Congressman

Manila City, Metro Manila

- Organized a Community Immersion & Service Learning project with other class officers to a rural town and elementary school in Bulacan

Building AI Agents with MongoDB - MongoDB University

March 2026

PROJECTS

Ambag+ | NUVators: Pitching Competition Submission

Pitching / Quality Assurance

- Formulated a high-impact, B2C-style pitch framework for a scalable UN SDG engagement platform, translating complex gamification loops and tech architectures into a compelling narrative for hackathon judges and mainstream stakeholders.
- Executed comprehensive quality assurance test cases to validate the platform's dual-layer scoring logic, testing real-time data aggregation across personal ranks, status tiers, and multi-campus live leaderboards

Student Admission & Enrollment Database | Christian Academy of Manila

Database Architect

- Executed negotiations with key stakeholders to implement a relational database system for streamlining their data flow on their admission database.
- Designed database schema, objects, constraints, indexes, and queries for specific business outputs of an admission process

ACHIEVEMENTS

- Top 10 Finalist – Team Syncra on Stage 0: Build Nothing, Prove Everything Validation Hackathon. Hosted by Zero Vector Philippines
- Top 46 Technical Round – Team NUVATORS on eGOVPH Hackathon 2026 hosted by DICT
