

Elective Choices for School Year 2026-2027

Starting in March 2026, students will meet with their Counselors and have access to *PowerSchool* to make elective choices for next year. Elective courses run based on the number of students who sign up.

Check out these videos, which explain what you can expect from these elective courses. See the specific teacher or your Guidance Counselor for more information.

Guidance Counselors will be sending out more information on course selection soon!

Note: *Not all the electives we offer have a video below. You can still sign up for any elective, even if there is no video below for it. Check out the selection sheets for your grade next year below!*
