

Pinal County Democrat Report

August 2025

Saddlebrooke Democrat Club did not have any meeting in July or August. They will start having meetings in September.

Saddlebrooke Ranch Democrat Club had LD 17 House Representative Kevin Volk speak about his first year in the legislature. He said hyper partisanship controls the entire legislative process. But in the end the Democrats held the line. He said the ESA voucher program is rampant with waste, fraud and abuse. He took questions from the full house at the meeting. SBR Democrats and Representative Volk are looking at a kickoff canvas of Democrats and Independents for March or April 2026.

Saddlebrooke Ranch Democrat Club has a meeting in August with speaker Mo Goldman running for the CD 6 seat as the speaker. There will also be a speaker on growing food in the Garden in Saddlebrooke Ranch for vegetables and other things to help the food shelf in our area.

The Oracle Democrats started a Democrat Club in the township of Oracle. 3 people at their first meeting will work to increase attendance. We told them that at SBR Democrat club we started with low attendance and later the attendance increased with work on talking to people.

Pinal County Democrat Club is putting together walk lists of Democrats all over the County. With 6 PCs at Saddlebrooke Ranch will get the lists to talk to the Democrats in our area.

One of SBR Democrat PC received PC training on August 2nd from Pinal County Democrat training.

The Pinal County Democrats are working on the special election in CD 7. In August Adelita Grijalva won the election with over 60% of the vote in the primary. The election was not close and should help Grijalva in the general election in September.

Jonathon Nez is running a good campaign in LD2 against Eli Crane. It will be a good race to support Nez in this race. Pinal County Democrats are working hard in this election.
