March is Food Shelf Month!

The Kandiyohi County Food Shelf has been helping Kandiyohi County residents since 1982. Their mission is to help relieve the suffering from hunger by providing food assistance.

Families are welcome to come to the Food Shelf once a month. A variety of items are given to them which include frozen meat, dairy, produce and many canned goods. Families are typically going home with an average of 60-80 pounds of food.

The Kandiyohi County Food Shelf relies solely on donations from individuals, churches, businesses, civic groups and grants to continue serving the community.

Food Donations are gladly accepted, but monetary donations go a lot further. A \$20 donation to the food shelf can help to purchase almost \$200 worth of food through their Food Bank, Second Harvest Heartland.

There will be a marked container in the Foyer for Food Donations. Feel free to put monetary donations in the offering during the month of March.

The Wheaton College Men's Glee Club and Women's Chorale, under the direction of renowned choral conductor Dr. Jerry Blackstone, will be performing at First CRC in Prinsburg, on **Sunday, March 3 at 7:30pm.** Both the Chorale and Glee Club have a long history of presenting quality choral music. These dynamic choral ensembles will present a wide range of choral works, both new and old, as they spread the message of hope found in the gospel of Jesus Christ.
