Overall vibe of the group:

They are genuinely one big family, you can tell they have this crazy siblings energy. They all live together IN THIS SHIT ASS DORM WTF PLAY M WHAT YOU PLAYING AT GIVE MY BOYS BETTER DORMS.

Anyway, they all have such unique personalities and it makes you love them all so much and wonder how the hell they're not more popular because they are crazy talented.

The fandom is also ridiculously friendly, genuinely one of the friendliest fandoms you will ever be in. And there's a crazy connection between them and Victon. Bitches rely on each other.

Variety Shows/ Fun Stuff/ Appearances

Highlighted pink is what i recommend to start with to get to know them well

- [Me & 7 Men](#) - I think this is the show that wanted to present them to the market- the concept of it is a bit weird and sasaeng-y but you start to notice it less.
- Tour Avatar (Sejun & Byungchan) [Ep. 11](#) and [Ep. 12](#) - Tourism show basically but very wholesome.
- Victor's Born Identity - [one organised playlist](#) - [one is a mess but has more content lol](#) - This is kind of like your typical band reality show, they travel places, do some challenges, and you get to know them pretty well
- [Victor's Prelude to the War](#) - i shit you not i just found this what.
- [Victor's Trust Game - Dingo](#) - Again typical band reality show they do challenges, play games, travel, but it is actually quite hilarious. I would trust Dingo with my life. - The iconic Kimbap Scene is here.

- [ILOGU Victon](#) - They go on this mini retreat together, and do challenges and some paragliding and it's VERY WHOLESOME.
- [Idol Workshop Victon](#) - you want some real comedy? This is it. Basically they all pretend they're part of a company with different positions and all and do challenges. But my god.
- [Idol's Cuisine](#) - [Ep 1](#). Chan, Byungchan and Subin work in Veitnamese Restaurant. [Ep2](#). Sejun, Seungwoo, Seungsik and Hanse work in a Singaporean restaurant. [Ep3](#). More scenes from all
- [Victon on Idol League](#) - Just some wholesome variety - don't really know what to tell you but my heart is combusting.
- [After School Club - Howling Era](#)
- [After School Club - Double Trouble Quiz-](#)
- [Shindong Gayo - Victon Howling](#) - I personally cannot stand this asshole so I haven't watched it.
- [ARATV - Victon](#)
- [Hello 82](#) - They ask weird questions and they answer while forming a line? VERY FUNNY
-
- [The Immigration](#) - This whole show i find very weird tbh - but the more content the merrier
- [Dispatch](#) - learn more about Victon
- [The KPOP - Victon Mayday](#)
- [Dingo Mafia Dance - Mayday](#)
- [Mayday Interview -](#)
- [KK DANCE - Mayday](#) - Chaos.
- [Birth of a Trot](#) - I would like to thank Chan for introducing Trot music in my life wow. That man - also thighs.

- [Wise Life Victon](#) - Still airing (only on Vlive) [Ep1.](#) [Ep2.](#) [Ep3.](#) [Ep4.](#) [Ep5.](#) [Ep6.](#) [Ep7.](#) [Ep8.](#)
- Topsy Talk with Victon (Vlive) [Ep1.](#) [Ep2.](#) [Ep3.](#) [Ep4.](#)

- [TVicton](#)
- [Their 4th anniversary Vlive](#) - learn about how they don't have utensils and how someone's been stealing their underwear.
- [How To Be Inssa Victon with 1TheK](#) - this show makes absolutely no sense but i love it it's so chaotic - [Ep1.](#) [Ep2.](#) [Ep3.](#) [Ep4.](#) [Ep5.](#) [Ep6.](#)

Fan Made

I feel like Alice is not as big of a fandom as what we're used to - therefore there aren't that many edits - and if there are they're usually very below average lol thats why i prefer watching the actual variety show or appearance instead but here are some nice ones!
