

Margins: 2.5 all sides with one space. The beginning of the paragraph indents 1 cm.

THE INDONESIAN TITLE, ARIAL 12, IS WRITTEN WITH CAPITAL LETTERS AT THE BEGINNING OF THE WORD (NO CAPITAL CONNECTIONS) AND IN BOLD.

(justify, space after paragraph 6 pt)

The title clearly explains the content of the manuscript, is concise, informative and should avoid abbreviations and formulas.

(The title should describe the main experimental findings of the manuscript, what you found and NOT what you did. Place important keywords at the beginning of the title).

ENGLISH TITLE, ARIAL 12, WRITTEN WITH CAPITAL LETTERS AT THE BEGINNING OF THE WORD (NO CAPITAL CONNECTIONS) AND IN BOLD

(justify, space after paragraph 6 pt)

[first-middle name and surname]¹, [first-middle name and surname]²,
[first-middle name and surname]^{*3} (Arial 9; *: corresponding author)

Example: Syaiful Anwar¹, Muhammad Arief² and Agustono^{*3}

¹[Department, Institution, city, country]

²[Department, Institution, city, country]

³[Department, Institution, city, country] **Arial 9**

Example: ¹Aquaculture Study Program, Faculty of Fisheries and Marine Affairs, Universitas Airlangga, Surabaya

²Name of Study Program/Department of Origin, Faculty, University and City of Institution, **Arial 9.**

Corresponding: [First-middle name and surname, Department, Institute, street, zip code, city, and country].

Arial 9

E-mail: [add email address] **Arial 9**

Abstract/ Abstract in Indonesian and English (Arial 10, bold, center text, Abstract written in justify, 1 space, and without before/space after paragraph)

Abstract written in Indonesian and English along with keywords with Arial 10 letters, justify, 1 space, and without before/space after paragraph. The abstract should provide a concise SUMMARY of the entirety of this paper and should include the following elements:

- 1-2 background sentences, stating what is known and what remains to be discovered
- Your research objective
- Brief description of the method/technique used
- The main results of your paper should be included
- Novelty, conclusions and potential implications of your study
- The limit is 250 words.

Abstract must be written in one paragraph without header and no references in abstract. At the end of the paragraph given space after paragraph 12 pt.

Keywords: The number of keywords varies between 5 words that can describe the subject of the research as a whole, as well as in the form of words that the verbs will use to find your paper, must be specific, and not general. It is written with a capital letter at the beginning of the word (not capitalized for conjunctions) and is written in alphabetical order. **Arial 10**

Margins: 2.5 all sides with one space. The beginning of the paragraph indents 1 cm.

1. Introduction (the title of each chapter is written in all capital letters, Arial 11 pt, in bold, and without space after paragraph)

The writing format from introduction to conclusion uses Arial 11 pt, justify, 1 space, on A4 paper format, written in one column, and between paragraphs without using spaces. The last paragraph is given space after paragraph 12 pt to separate between chapters/sub-chapters/sub-sub-chapters, except after chapters/sub-chapters/sub-chapters before paragraphs are given 6 pt space. The paragraph is written indented to the right 0.3"

2. Materials and Methods (in Indonesian Arial 11)

2.1 Material

2.2 Method (the title of each sub-chapter is written with a capital letter at the beginning of the word (except for conjunctions), in bold, and without space after paragraph)

Describe the materials and methods used in your research. Previously reported methods should be quoted and not copied directly. For special materials and equipment, the name and location of the manufacturer must be provided. This section must be explained or described in detail to ensure that it can educate the reader to be able to replicate the results of your research.

3. Results and Discussion (Arial 11)

The results of your studies and incorporate them into the discussion. For the discussion, begin by stating your main findings and explaining the meaning and importance of your research. Research results or research findings need to be discussed in the context of the available literature. You can also explain your research shortcomings and make suggestions for further research.

The description of the discussion includes the process of interpreting the results of research data analysis in an effort to reach a conclusion that is equipped with a review of supporting literature. Writing the results and discussion can be done in different sub-chapters. If you want to present pictures, graphs and tables, follow the format as below: (Space after paragraph 12 pt)

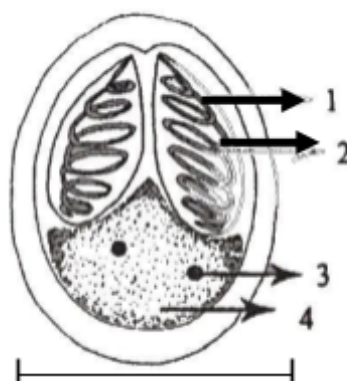

Number the pictures with Arabic numerals and the descriptions of the pictures should be clear and allow the reader to understand the data without referring to the main text. Provide statistical information. Provide zoom information for image data. DO NOT interpret data.

anatomy of Koi Fish Gills (writing in capital letters only at the beginning of the sentence and ending with a period. If the title is more than 1 line is parallel to the beginning of the sentence) (Space before and Space after paragraph 6 pt)

fish gills (healthy fish)

gills with nodules (fish infected with Myxobolus)

Margins: 2.5 all sides with one space. The beginning of the paragraph indents 1 cm.

Figure 2. Myxoboluskoi spore morphology. (Writing with capital letters only at the beginning of the sentence and ending with a period. If the title is more than 1 line, the second line is parallel to the beginning of the sentence) (Space before paragraph 6pt and Space after paragraph 6 pt)

Notes: 1.) Polar vacuole, 2.) Polar filament, 3.) Embryonic nucleus, 4.) Iodiophilous vacuole. Bar scale = 10 m (Images should be presented in jpeg or GIF format and should be accompanied by a comparison scale for ease of reading. If there is a description of the image, it is also written in TNR 10 pt) (Space after paragraph 12 pt)

Graphics are created without axes and borders/frames. Letters and numbers are written using 12 pt TNR not in bold. The size of the image is made proportional so that it can be seen clearly. (Space after paragraph 12 pt)

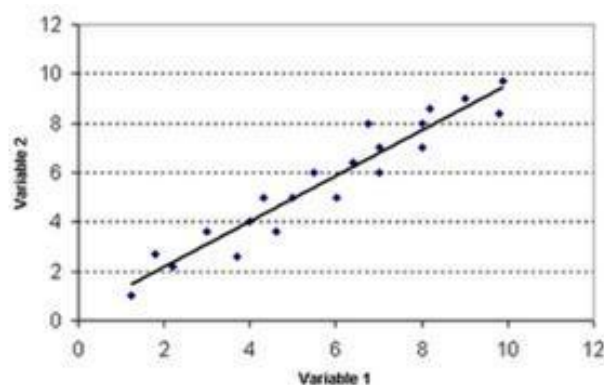

Figure 3. The relationship between length and weight of fish (: captions are separated from the picture and placed together with the title). (Space before paragraph 6pt and Space after paragraph 12 pt)

Margins: 2.5 all sides with one space. The beginning of the paragraph indents 1 cm.

Tables are Numbered using Arabic Numerals. Column headings must indicate units. Additional information Tables should be included in footnotes. Footnotes must be indicated in alphabetical order a), b), etc. (Space after paragraph 12 pt)

Table 1. The title of the table is written in capital letters only at the beginning of the sentence and ends with a period. If the title is more than 1 line, the second line is parallel to the beginning of the sentence. (Space after paragraph 6 pt)

Time (Hour)	Treatment			
	0%	10%	20%	30%
Hour- 0	43.26 ^a ± 5.040	45.15 ^{ab} ± 6.055	50.52 ^{ab} ± 6.076	52.78 ^b ± 4.801
Hour-24	34.21 ^a ± 1.340	32.42 ^a ± 6.460	36.84 ^a ± 9.240	33.48 ^a ± 2.413
Hour-48	28.03 ^a ± 3.598	28.05 ^a ± 6.808	26.66 ^a ± 6.549	29.56 ^a ± 4.801

(Space after paragraph 12 pt)

Each equation is written left aligned and using the **Equation Editor** (Ms Word), not in the form of images (GIF, JPG, etc).

4. Conclusion (Arial 11)

In this conclusion section, write a closing comment regarding the conclusions you have drawn from the study that has been carried out.

Acknowledgement (Arial 11)

Include any form of thanks for supporting the research you are doing, be it technical assistance or financial and material support. Provide the full grant number, if any.

Conflict of interest (Arial 11)

Disclosing potential sources of conflicts of interest. A potential conflict of interest may arise if you are a consultant to the company involved in this research. This declaration will not affect the decision to publish the paper; However, if there is an error in stating it can cause rejection or revocation of publish from the manuscript. If not, please write, "Author declares no financial or commercial conflict of interest".

REFERENCES

The references is written using Arial 11 letters, aligned left and right, 1 space, and without space before/after paragraphs.

The following is an example of writing a bibliography:

Books

Abstrak/ Abstract dalam Bahasa Indonesia dan Bahasa Inggris (Arial 10, dicetak tebal, center text, Abstrak ditulis rata kiri-kanan, 1 spasi, dan tanpa before/space after paragraph)

Abstrak ditulis dalam bahasa Indonesia dan bahasa Inggris beserta kata kunci dengan huruf Arial 10, rata kiri-kanan, 1 spasi, dan tanpa before/space after paragraph. Abstrak harus memberikan RINGKASAN ringkas dari keseluruhan makalah ini dan harus mencakup unsur-unsur berikut:

- 1-2 kalimat latar belakang, menyatakan apa yang diketahui dan apa yang masih harus ditemukan
- Tujuan studi anda
- Deskripsi singkat tentang metode/ teknik yang digunakan
- Hasil-hasil utama dari makalah anda harus disertakan
- Kebaruan, kesimpulan dan implikasi potensial dari studi anda
- Batasnya adalah 250 kata.

Abstrak harus ditulis dalam satu paragraf tanpa header serta tidak ada Referensi dalam abstrak. Pada paragraf akhir diberi space after paragraph 12 pt.

Kata kunci : Jumlah kata kunci bervariasi antara 5 kata yang dapat menggambarkan pokok bahasan penelitian secara keseluruhan, serta berupa kata-kata yang akan digunakan kata kerja untuk menemukan makalah anda, harus spesifik, dan tidak umum. Ditulis dengan huruf kapital pada awal kata (tidak kapital untuk kata sambung) dan ditulis berdasarkan alfabet. **Arial 10**

Margin: 2,5 semua sisi dengan satu spasi. Awal paragraf menjorok 1 cm.

1. **Pendahuluan** (judul setiap bab ditulis dengan huruf kapital semua, Arial 11 pt, dicetak tebal, dan tanpa space after paragraph)

Format penulisan mulai dari pendahuluan hingga kesimpulan menggunakan Arial 11 pt, rata kiri-kanan, 1 spasi, pada format kertas A4, ditulis dalam satu kolom, dan antar paragraf tanpa menggunakan spasi. Pada paragraph akhir diberi space after paragraph 12 pt untuk memisahkan antar bab/sub-bab/sub-sub-bab, kecuali setelah bab/sub-bab/sub-bab-bab sebelum paragraph diberi space 6 pt. Paragraf ditulis menjorok ke kanan 0,3".

2. **Material dan Metode** (dalam bahasa Indonesia Arial 11)

2.1 **Material**

2.2 **Metode** (judul setiap sub-bab ditulis dengan huruf kapital pada awal kata (kecuali kata hubung), dicetak tebal, dan tanpa space after paragraph)

Jelaskan bahan dan metode yang digunakan dalam penelitian Anda. Metode yang dilaporkan sebelumnya harus dikutip dan tidak dicopy secara langsung. Untuk bahan dan peralatan khusus, nama dan lokasi pabrik harus diberikan. Pada bagian ini harus dijelaskan atau digambarkan secara detil untuk memastikan bahwa dapat mengedukasi pembaca agar mampu mereplikasi hasil penelitian Anda.

3. **Hasil dan Pembahasan** (Arial 11)

Hasil studi Anda dan gabungkan dengan pembahasan. Untuk pembahasan mulailah dengan menyatakan temuan utama Anda dan jelaskan arti dan pentingnya penelitian Anda. Hasil penelitian atau temuan riset perlu didiskusikan dalam konteks literatur yang tersedia. Anda juga bisa menjelaskan kekurangan penelien Anda dan membuat saran untuk penelitian lebih lanjut.

Uraian pada pembahasan meliputi proses interpretasi terhadap hasil analisis data penelitian dalam upaya mencapai suatu kesimpulan yang dilengkapi dengan telaah pustaka penunjang. Penulisan hasil dan pembahasan dapat dilakukan pada sub-bab yang berbeda. Apabila ingin menyajikan gambar, grafik dan tabel, mengikuti format seperti di bawah ini: (Space after paragraph 12 pt)

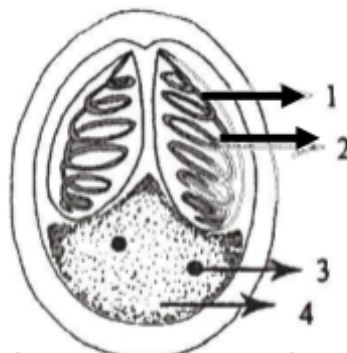

Nomori gambar dengan angka arab dan deskripsi gambar harus jelas dan memungkinkan pembaca untuk memahami data tanpa merujuk pada teks utama. Berikan informasi statistik. Berikan informasi perbesaran untuk data gambar. JANGAN menginterpretasikan data.

1. **Insang Ikan Koi** (penulisan dengan huruf besar hanya pada awal kata, dan diakhiri dengan tanda titik. Apabila judul lebih dari 1 baris, baris kedua dimulai dengan awal kalimat) (Space before paragraph 6pt dan Space after paragraph 12 pt)

2. **Insang koi yang normal (ikan sehat)**

3. **Insang koi yang terdapat nodul (ikan terinfeksi Myxobolus)**

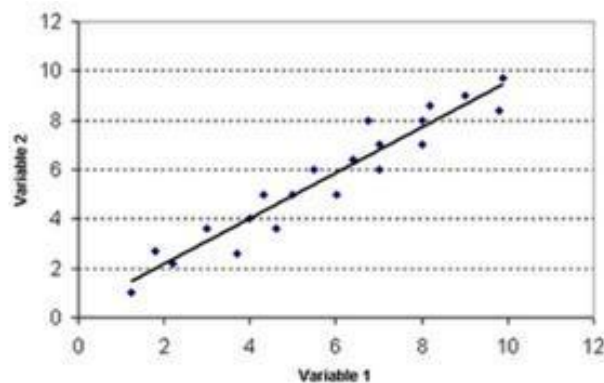

Margin: 2,5 semua sisi dengan satu spasi. Awal paragraf menjorok 1 cm.

Gambar 2. Morfologi spora *Myxobolusko*i. (penulisan dengan huruf besar hanya pada awal kalimat dan diakhiri dengan tanda titik. Apabila judul lebih dari 1 baris, baris kedua sejajar dengan awal kalimat) (Space before paragraph 6pt dan Space after paragraph 6 pt)

Keterangan: 1.) Polar vakuola, 2.) Polar filamen, 3.) Embryonik nukleus, 4.) Iodiophilous vakuola. Skala Bar = 10 μ m (Gambar sebaiknya disajikan dalam bentuk jpeg atau GIF dan sebaiknya disertai dengan skala pembandingan agar mempermudah pembaca. Apabila terdapat keterangan gambar, ditulis juga dalam huruf TNR 10 pt) (Space after paragraph 12 pt)

Grafik dibuat dengan tanpa garis axis dan garis tepi/bingkai. Huruf dan angka ditulis menggunakan TNR 12 pt tidak dicetak tebal. Besarnya gambar dibuat proporsional agar terlihat dengan jelas. (Space after paragraph 12 pt)

Gambar 3. Hubungan panjang dan berat ikan (: keterangan gambar dibuat terpisah dari gambar dan diletakkan bersama dengan judul). (Space before paragraph 6pt dan Space after paragraph 12 pt)

Margin: 2,5 semua sisi dengan satu spasi. Awal paragraf menjorok 1 cm.

Tabel diberi Nomor dengan menggunakan Angka Arab. Judul kolom harus menunjukkan unit. Informasi tambahan Tabel harus dimasukkan dalam catatan kaki (*footnotes*). Catatan kaki harus diindikasikan sesuai abjad ^{a)}, ^{b)}, dan lain lain. (Space after paragraph 12 pt)

Tabel 1. Judul tabel ditulis dengan huruf besar hanya pada awal kalimat dan diakhiri dengan tanda titik. Apabila judul lebih dari 1 baris, baris kedua sejajar dengan awal kalimat. (Space after paragraph 6 pt)

Waktu	Perlakuan			
	0%	10%	20%	30%
Jam ke 0	43.26 ^a ± 5.040	45.15 ^{ab} ± 6.055	50.52 ^{ab} ± 6.076	52.78 ^b ± 4.801
Jam ke 24	34.21 ^a ± 1.340	32.42 ^a ± 6.460	36.84 ^a ± 9.240	33.48 ^a ± 2.413
Jam ke 48	28.03 ^a ± 3.598	28.05 ^a ± 6.808	26.66 ^a ± 6.549	29.56 ^a ± 4.801

(Space after paragraph 12 pt)

Setiap persamaan ditulis rata kiri dan menggunakan **Equation Editor** (Ms Word), bukan dalam bentuk gambar (GIF,JPG, etc).

4. Kesimpulan (Arial 11)

Pada bagian kesimpulan ini tuliskan komentar penutup mengenai kesimpulan yang telah anda ambil dari studi yang telah dilakukan.

Acknowledgement (Arial 11)

Sertakan segala bentuk ucapan terima kasih atas dukungan terhadap penelitian yang Anda lakukan, baik bantuan teknis atau dukungan finansial dan material. Berikan nomor hibah lengkap, jika ada.

Conflict of interest (Arial 11)

Mengungkapkan sumber potensial konflik kepentingan. Potensi konflik kepentingan dapat terjadi jika Anda seorang konsultan untuk perusahaan yang terlibat dalam penelitian ini. Deklarasi ini tidak akan mempengaruhi keputusan untuk mempublikasikan makalah; Namun, jika ada kesalahan dalam menyatakan dapat menyebabkan penolakan atau pencabutan publish dari naskah. Jika tidak ada, harap tulis, "Penulis menyatakan tidak ada konflik kepentingan finansial atau komersial".

DAFTAR PUSTAKA

Daftar pustaka ditulis dengan menggunakan huruf Arial 11, rata kiri-kanan, 1 spasi, dan tanpa space before/after paragraph.

Berikut contoh penulisan daftar pustaka:
