

Instructor Agreement Form

BSAC London No 1

All instructors working within *BSAC London No 1* (The Club) are expected to work to high standards and adopt recognised best practice where possible. In addition to other relevant standards of practice, instructors should be aware of and adopt *BSAC London No 1's* own:

- Safeguarding and child protection guidelines
- Health and safety policy
- Club diving rules
- Club room and pool procedures
- Equality, equity, diversity and code of conduct statement
- Incident and emergency procedures and contact numbers

The Club will ensure that its instructors are aware of and have access to each relevant policy and guidance note. The Club will listen and respond to matters that the instructors bring to its attention in relation to their work and will support, where possible, their training needs.

The Club will provide first aid facilities and will advise instructors where these are located. The Club will also advise instructors of any relevant hazards in the club room or pool and The Club's procedure for mitigating these. If an instructor observes a new hazard or a deficiency in the equipment or facilities provided by The Club then they should raise this to the Lead Instructor or the committee.

I, _____, am familiar with *BSAC London No 1's* standards of practice named above and will adopt these in my work. I have been given an orientation of the club room and am aware of where first aid facilities are located and of all the relevant club procedures for mitigating risk local to the club room and pool.
