Then upon looking at the hat, some voices in her head bombarded her to put it on, which she does. Cue tf.

Bio: Duri is a korean woman who loves art and music, but she never really expresses herself. Her family wanted her to become a doctor and forced those expectations into her life. She was forced to hide who she really is for the longest time but she met good friends here despite the circumstances

Role: TRITAGONIST/Victim

Personality: at first, you'd think she's just a spoiled rich kid. But she's actually really sweet and kind

Songs that represent her: "This is what it sounds like" – K-pop demon hunters, and "I'm almost there" – The Princess and the Frog

Cause of TF: she falls into a red and black pit, and ends up in this weird gold dimension, where there's this heart shaped chocolate wrapped in gold awaiting her. Something tells her not to eat it, but she just can't resist it. Cue tf.

Mc or pmc: MC (IDENTITY DEATH)

Relationships: her and Boba are good friends (she secretly looks up to her as a mother due to her real one being a bitch), she doesn't know a lot about Sakana, but she and Solaria are inseparable.

Name:Sol@rla/Muko

Bio:She's a wild animal for sure! Solaria is the peak of all happy energy around everyone! She gets along with most of the cast and especially loves to chat with the quiet kids. Hence why she was put for the support role.

Role:Support/Victim

Pmc or Mc:Pmc (Personality stays)

Cause of tf:Her sight is drastically reduced in this universe, having her glasses left at home. So when one of the assistants offers her a new pair, she agrees and then wooh tf wahhh!!!!

Personality:Energetic, wild, awesome!!

Relationships:Mostly friendly with everyone, especially with B0BA, she finds Lily interesting, sometimes trying to interact with her. She despises Fabian for what he's done.

Felix Foxter/Spike

Appearance: Felix is a 5'3 fox boy who has pale skin and ginger, fluffy hair with white streaks tied up in a pony-bun. He has freckles and green eyes with a bandaid on his nose, and he wears a green camouflage short sleeved shirt with a dark yellow paw symbol in the middle of the shirt. He also wears jean shorts with brown knee socks with matching fingerless gloves and

brown,yellow,and green striped leg warmers paired with spiked bracelets and a red bandana, carrying a brown shoulder bag. His hands and legs also have a black fade to them, going up the hands and feet with paws and claws. His legs are mildly digitigraded.

Bio: Felix was a small fox-hybrid boy, born somewhere in the Great Smoky Mountains, TN. He and his mom lived in a cabin in the woods. Since they lived in a very remote area, he and his mother had to learn how to hunt for food, and shit like that. His father died from a bear attack sometime before he was born. His mother often ventured out miles away from home to find some clothes for Felix, and she had to hide her ears and tail as well. Once his mother died from an unknown illness, he lived in the cabin his mother raised him in for a couple more years before moving out of the house, and bought a house using his mother's money. He also has the ability to understand animal language.

Personality: ENTJ personality type. He is very loyal, caring, and a natural leader. However, he can be very arrogant and overconfident in certain situations. He can also be playful and energetic as well. He is autistic and suffers from a paw fetish. Felix also loves learning about new things, and likes to listen to people talk. He likes to write a lot and has a Book BFDI writing journal that he uses to keep all of his works in. Felix really likes object shows, especially BFDI. He is a hardcore gamer, and likes to play Mario Kart on his Nintendo Switch 2 that he bought after saving up enough money. He can also sniff out emotions like a bloodhound.

Relationships: He is pretty good pals with Liam, since Liam was his roommate before being transported to this realm. He feels like he can relate to Solaria in a way, since she reminds him of his childhood self. He is also on good terms with Sakana, since she is also an animal hybrid like him.

PMC or MC: PMC (Gains most of Spike's personality, but keeps most of his memories, on top of the new ones.)

Cause of TF: He tries to talk to Fabian about betraying **DATA_EXPUNGED**, and trying to overpower her, but Fabian says they have no choice, and shoves a pair of shades onto his face. Cue TF.

Name: Lily/Tango

Bio: She is a 13 year old girl with autism, meaning she thinks differently, acts differently, and has a lot of interests. But that can lead to dangerous and reckless behavior. But she still has a kind and warm heart and is willing to help anyone.

Role: Support/Victim

PMC or MC: PMC (She gains a new personality)

Cause of tf: She finds a room full of dolls and they begin to chant some spells. Cue TF

Personality: Hyper, energetic, happy (most of the time), kind, willing to help anyone.

Relationships: Tries to get along with everyone, but mostly fails trying to. However, she forms a close bond with Sakana.

Then upon looking at the hat, some voices in her head bombarded her to put it on, which she does. Cue tf.

Name: Sakana/Bambi

Bio: Sakana is an optimistic and silly anthro tiger shark! She is a single mother of 80 baby pups (Crazi ik), she lived in the ocean in a den made of mostly rocks. She does have motherly instincts and is protective of younger people that remind her of her babies.

Role: Deuteragonist/Victim

Pmc or Mc: Pmc (memories stay with a tad bit of a personality change)

Cause of tf: A depressed Sakana (because of the loss of a close friend who got tf'd) stumbled upon **EXPUNGED**, who proceeded to straight up CHOP her arms off. Then also throwing a tf serum covered knife at her, cue tf (Yes i want a brutal tf if you couldn't tell).

Personality: Humorous, silly and optimistic, sweet, compassionate, a little sensitive, inspective and curious, protective, and serious in certain situations.

Relationships: Sakana doesn't really know why B0BA takes a disliking to her but she tries to gain her trust whenever speaking to her, Sakana has a close bond with Lily. Sakana likes (in a friend way ofc) Duri and would love to get to know them more.

Wait a minute I have an idea for a tf! So after betraying Expunged, she's the first to go before Fabian, and expunged snaps their fingers and a cube shaped yellow apple appears in her hands, and she's forced to take a bite out of it, but after doing so, her legs feel tingly and starts coughing up blood, cue tf.

Liam/Ohungi

Bio:

An short brown hair,white skinned boy, lacking any facial hair and of 5'10 in height.He usually wears a dark blue hoodie over a T-Shirt accompanied with gray sweatpants, black gloves, and laceless blue shoes.He is a Curious, Kind, Anxious, & Timid soul that also be impatient and quite snarky, who also on the Autistic Spectrum.

Note:Go to my OC Sheet for an more detail description

Cause of TF:After being stuck in this place for a while, Liam's personality seemingly split in half, one being skittish and innocent and the other being chaotic and excitable.Soon after an encounter with **EXPUNGED**, he is split into two, the skittish and innocent personality turns into the masculine triangle entity and its counterpart turn into the feminine white face on said triangle.

Mental Changes:Partial

Relationships:By default is friendly to everyone, unless they either hostility to him and others, is very much willing to become friends with people.

Pre-TF Role:Acts as an emotional support and reassurance about their humanity/lives for the group, and tries his best to help as much he can.

Post-TF Role:Acts either of a rebellious wrench at plans or someone for comfort, or just straight up a gremlin at times.

Ione Lia Samuel/Cuble Gooble

Bio: Ione is a 5'6" yellow haired, red eyed genderfluid person who has a button for one of her eyes, stitches across her body, and a love for cheddar. She wears a yellow turtleneck sweater, has baggy blue pants, and white sneakers.

Cause of TF: Fed an apple by Expunged and TFed. PMC, sanity pushed in the back.

Betrayal: tried getting rid
Of expunged.

Role: Assistant/Victim

Personality: tired, but content.

So, after betraying [DATA_EXPUNGED] and after Ione's tf, he snaps his fingers. Then, Fabian starts to cough up a yellow goopy substance (aka the substance Jimble Flong's head is made out of) then cue tf. Imo leave this up here!

Appearance: Fabian is a genderfluid 3'2" ball of dark aqua-green slime with aqua-green eyes, stick-like limbs with balls on the ends of their arms and semi circles on the ends of their legs. Their agitated form is mostly similar, with the key difference being that they have a pair of s-shaped horns on their head, a long, slimy tail, and sharper claws and teeth. They were a necklace made of twine, with a light purple crystal known as travadium tied onto it.

Bio: Fabian is an energetic and chaotic slimemorph who enjoys exploring the multiverse, messing with their friends, as well as the inhabitants of the universes they visit. They're also intelligent and sly, often using their ability to shape-shift and bio-morph their limbs alongside their knowledge of the variety of organisms they've encountered (not including robots, gods/demigods, or the dead) for a variety of uses, whether it be mobility, stealth, combat, etc.. They've also been known to be honest and friendly with those who they deem as close friends

Relationship With Assistant: They think they're cool, often staying close to them because they remind them of a close friend

Reactions to TFs: They have mixed feelings about it. On one hand, they find tffing people fun, on the other hand, they don't like seeing people suffer

Method of TFing victims They prefer to ambush their tf victims, or poison their food

How they betray [DATA_EXPUNGED]: As a final "F#ck You" to [DATA_EXPUNGED], they pull off the Konami code (up, up, down, down, left, right, left, right, b, a, start), and summon a delete gun before firing it at them and making a run for it thinking it would hit and delete them. Only for that to fail

Relationship with [DATA_EXPUNGED]: they don't really like them, but they REVEL in constantly teasing [DATA_EXPUNGED] they'll (half)jokingly insult them, remove pieces of them and running off with it for fun, and laugh when they get pissed.

Cause of TF: [DATA_EXPUNGED] corrupts the energy in their necklace when they try to leave

Nyx / jeff

Appearance: nyx is a tall grey colored woman with long red hair, she wears a red scarf with a trench coat with sleeves that go over her hands over her outfit, she wears black pants and a t shirt under it, and she has black shoes on, she is always holding a yellow mirror [she has some kind of tail and horns + wings but hides it]

Bio: nyx is some kind of evil species being the last and well, only of it, she has no personality or emotions, instead, her mirror powers it, her mirror reflects off the person closest to her and she has their personality and emotions until they are far enough, if alone, she will have no personality or emotions, instead she will just aimlessly walk

around until there is someone for her to reflect on, her mirror also has some sort of consciousness as it can speak to her

Relationships: neutral to anyone

Mc or pmc: uhhhhh pmc (gets new memories, stays the same [her mirror is now broken and barely works anymore])

Cause of tf: her mirror breaks and some kind of thing attacks her and uh yeah cue tf

Mary / worm eater

Appearance: Mary is a white skinned girl with a red and white checkers piece for a head. She wears a black shoulderless sweatshirt with red baggy pants and black Mary Janes.

Bio: mary comes from like, a high class family, mostly associated with the mafia, her family is like, huge on gambling but she basically stood out, yeah

Personality: lazy as hell, doesn't care about anyone besides herself

Relationships: hates everyone [mostly onesided on her side]

Mc or pmc: mc

Cause of tf: idiot snatches nyx's mirror and it kinda... attacked her and nyx also attacked her lol cue tf
