PRIVATE PIANO LESSONS 2026-2027

Dear parents, teachers and pupils,

I am a Royal Conservatory of Music graduate ARCT in Piano Performance with a teaching certificate from the Royal Conservatory of Music in Toronto, and I hold a baccalaureate in Art.

I am offering private piano lessons in school during school class, before and after school. Lessons are also available in my home on a grand piano or in your house at a higher fee.

The lessons are a mix of practical, theory, singing and flute instruction.

The lessons are a private contract with me and the school is providing the rental space only. Contact me to reserve a place as I am starting as soon as possible as I will be starting the lessons the first week of September.

For new students, I would like to talk (on the phone or in person) with the parents before starting the lessons so we can address any particular need. Phone me (home 613-477-2644) to assess the expectations of both parties and leave a message if I am away. Lessons are once a week and last 30 minutes for the beginner student.

I expect the student to have a piano (acoustic or electronic) to practice every day.

Contact me for the fees.

Sincerely,

Anne Marsan-Cook
