

WELCOME TO "LITTLE HAWKS" SOCCER

The Jeannette Soccer Club welcomes you to our beginner soccer program. The goal each week is to introduce your child to the basics of soccer and simply have fun. Each player **MUST** have a #3 soccer ball of their own, shin guards and spikes/cleats, although they are not required at this age, but are recommended. We will begin each practice by having the players join their team on the field. Practice will focus on a skill, which the "Coach" will demonstrate before they begin. As parents, you know your child best. If you feel your child will need extra assistance, please feel free to join us, we always encourage your help and enthusiasm. The practice will run for approximately 20-30 minutes total, the kids will have plenty of opportunities to get a drink, please have their water bottle handy. After the practice is complete, a game will take place. Please **NO PARENTS** on the field during the game. If you want to stand on the sidelines and cheer your child on, please feel free to do so. We want to foster independence during the game, we appreciate your cooperation.

Our program is completely recreational, we will not keep score. Please encourage your children to have fun and play soccer. The first couple of weeks will be a bit hectic until the kids get comfortable with the format, so please be patient. If you would like to help run practice or assist in any manner, please contact the Jeannette soccer club via e-mail at www.jeannettesoccerclub@gmail.com

We rarely cancel due to weather, we play soccer in the rain, snow, etc.

Thank you and hope you enjoy the Soccer Season
