No experience required! We will provide all necessary training and onboarding to ensure your success with DHL Supply Chain. This is a cross-functional position with variety—picking customer orders, packaging products, receiving shipments, processing returns, and more.

DHL Supply Chain has a 40-year track record of running world-class supply chains for many of the Retail industry's most innovative and successful businesses. We are operating a state-of-the-art fulfillment facility for a global online fashion retailer in Union City, GA. Our primary goal is to cultivate a positive diverse work environment of associate engagement, recognition, development and growth opportunities, and social responsibility to the communities we serve.

Role Purpose: Performs tasks that require physical abilities and effort involving minimal specialized skill or prior work experience. Responsible for the accurate storing, shipping, and receiving of product to meet company standards or safety, security, and productivity.

Key Accountabilities:

- Manually load and unload freight in an efficient and safe manner.
- Provide physical labor to move product to storage areas with proper material handling equipment and efficiently stack and store the merchandise in the appropriate area.

- Assemble various types of merchandise to be shipped. Sort, recoup, pack, mark, and label materials. Check or count freight for accuracy and/or damage and infestation.
- Perform duties needed for assembling displays and other specialty value-added services per the customers' requirements.
- Participate in physical inventories.
- Performs general grounds/building maintenance.

Required Education and Experience:

- High School Diploma or Equivalent, preferred
- 0 to 12 months experience in a warehouse setting, preferred

Job Types: Full-time, Temporary

Pay: \$17.00 - \$18.25 per hour

Education:

- High school or equivalent (Preferred)

Work Location: One location
