

EARLY COLLEGE CREDIT PROGRAM (ECCP) STUDENT CHECKLIST

- 1) Complete and return the [Early College Credit Program \(ECCP\) application](#) to Ms. Wetzel, Counselor, or Ms. Tetzloff, Secretary, in the SPASH Counseling Office.
 - a. The deadlines are October 1 for the spring semester, March 1 for the fall, and February 1 for the summer. You must complete one ECCP application for each semester you wish to be enrolled.
 - b. The [course schedule](#) is available here. Please note that the schedule is often not released until after the application deadlines so you may have to use last year's schedule to compare what potential offerings are available.
- 2) Complete the [UW System Special student application](#). No essays or application fees are required.
 - a. If you are currently taking an ECCP course and applying for the following semester, you do not need to complete the UW System application again.
 - b. [Click here for admissions standards](#).
 - i. Ms. Wetzel will attach a transcript to your application so you do not need to send one.
 - ii. You **only** need a letter of recommendation if you do not meet UWSP's general admissions standards (e.g. low gpa or not receiving a 3, 4 or 5 on the AP test needed to take the course you are requesting).
 - iii. The ACT is only required to be submitted if you have already taken it.
- 3) Check the email address you listed on the UW System application frequently! Angela Schmidt, UWSP ECCP Coordinator, will email you the status of your application and your next steps.
- 4) Log into your new UWSP account to take care of all necessary steps indicated by Angela to enroll in the course.
- 5) If your course has a prerequisite of AP or ACT scores, you will need to provide these to Angela Schmidt.

If you have more in depth course advisement or enrollment questions, please contact:

Angela Schmidt

UW-Stevens Point ECCP Coordinator
