

Extra Trip/Camp Fees and Ski Wax Fees

These fees apply in special cases where athletes are not part of the official Nakkertok trip or camp. This includes:

- Nakkertok race program members attending on their own (e.g., travelling with parents instead of with the team).
- Nakkertok members not enrolled in the current season's program (e.g., summer-only skiers entering a winter race).
- Non-Nakkertok members joining a trip, camp, or requesting wax support.

The specific fees are listed in the chart below.

Notes

- Wax fees cover one pair of skis per race. Requests to wax two pairs may be considered by the Head Coach or Trip/Camp Lead.
- All requests for wax support outside of an official trip participation must be submitted to the Head Coach and Trip/Camp Lead. They will confirm if waxing resources are available.
- Additional fee column is the amount that will be added to the cost of the camp or Race trip fee charged to regular Nakkertok members.
