Subject: Call for Postdoctoral Researchers in Quantum Sciences – SQUASH Programme Now Open!

Dear colleagues,

We are pleased to announce the official launch of the call for the SQUASH Postdoctoral Programme – a new and exciting opportunity in the field of quantum sciences!

What is SQUASH?

SQUASH is a highly competitive international fellowship programme designed to attract and support outstanding postdoctoral researchers in quantum science and technology. It is coordinated by the "Jožef Stefan" Institute (Slovenia) and supported by the Marie Skłodowska-Curie Actions (MSCA) under the Horizon Europe framework.

What does SQUASH offer?

🧠 Up to 20 full-time postdoctoral positions in this call

⏳ Three-year appointments with a monthly gross salary of €5,100, plus family allowance

🌐 Excellent research infrastructure, career development opportunities, and international mobility

🔬 Work in one of four strategic quantum research domains:

Quantum Theory

Quantum Materials

Quantum Technology

Quantum Computing & Information

SQUASH stands for equality and inclusion.

At SQUASH, it is believed that scientific excellence thrives in diverse and inclusive environments. Applications are welcomed from all backgrounds, with particular commitment to supporting individuals from communities historically underrepresented in quantum research and STEM fields.

📢 Application deadline: August 30th, 2025
