Greetings 6th grade families,

Here is all of the latest up-to-date information:

Back to School Night

It was good to see you at Back to School Night. If you missed it, here is the [link](#) to the presentation. Please email us if you have any questions. sanzaro@jcsk8.org, and mnugent@jcsk8.org.

Emergency Packs

Remember to send in an Emergency Pack (Ziploc bag labeled with student name, containing three water bottles and snacks like granola bars.)

Paperwork from Take Home folder

Please sign and return signed blue slip to show you reviewed the following:

- [6th Grade Expectations](#)
- [Technology Contract](#)

Paperwork from the office:

- Emergency Release Card (green)

Picture Day and Study Hall forms were sent home this week in 6N. 6S will receive them on Tuesday. If you missed them and would like to sign up your child for Study Hall (after school academic support), the form is [here](#). You can access the picture forms online through LifeTouch.

From last week's note - If you haven't already, please take a moment to fill out the PG [Movie Permission](#) slip survey, and the [Parent Contact Form](#).

From the AERIES Parent Portal - Most of the beginning of the school paperwork can be found in your child's Aeries Parent Portal. Please use this [Aeries Parent Portal Direction Sheet](#) to get logged in. It is essential that all JCS parents log into the Parent Portal. Please let us know if you need any assistance!

Recess Expectations - We have covered so many rules so far, and it is overwhelming. If you have the opportunity to go over these [rules](#) that pertain to recess with your child, it would be helpful. Recess is where the majority of behavioral incidents occur.

Cell Phone Policy - Personal cell phones, earbuds, wireless headphones, gaming devices, tablets, etc., are not to be used by students during school hours or while they are at after-school classes, study hall, or activity center. We recommend keeping these devices at home. Personal electronic devices brought to school by students must be powered off and turned into their homeroom teacher at the beginning of the day. Students may retrieve their devices at the end of the day. The school is NOT financially responsible for the devices.

HOW YOU AND YOUR CHILD CAN COMMUNICATE DURING THE DAY: The school office can take messages from family members and get those messages to your child. Students can also use the school phone when necessary.
