Admission Criteria (Fall 2026)		
Sr. #	**Name of Program**	**Admission Requirements / Basic Eligibility Criteria**
		studied Mathematics is the basic eligibility requirement for admission in all BS Computing Programs. ➢ The students who have not studied Mathematics at intermediate level have to pass deficiency courses of Mathematics (06 credits) in first year including zero semester.
27.	BS Computer Science (5^{th} Semester)	Candidates seeking admission to BS Computing programs on the basis of an Associate Degree Program (ADP) shall be eligible subject to the following conditions: 1. The applicant must have completed an ADP from a recognized institution under the semester system with a minimum **CGPA of 2.00 out of 4.00** or equivalent. 2. The applicant must have studied **Mathematics at the Intermediate (HSSC) level**. 3. Applicants who have not studied Mathematics at the Intermediate level shall be eligible provided they have successfully completed **at least 6 credit hours of Mathematics** during the first year of their ADP program. 4. **Eligibility for ADP Physics and ADP Mathematics (Semester System)** a. Candidates holding an **ADP in Physics** or **ADP in Mathematics** shall be eligible for admission, subject to fulfilment of the above criteria stated in 1, 2 and 3. b. Such candidates shall be required to complete **12 credit hours of deficiency courses in Computing** as prescribed by the department/university. 5. **Eligibility for ADP (Science) Graduates (Annual System)** a) Candidates having ADP (Annual System) with atleast 45% marks are eligible to apply for BS Computing program (5^{th} semester intake/BS 2 Years Programs) provided they fulfil criteria stated in 2 and 3. b) Furthermore, they should have studied 200 Marks of Mathematics with Physics 200 or Computer Science 200. c) Such candidates shall be required to complete **12 credit hours of deficiency courses in Computing** or as prescribed by the department/university.
28.	BS Information Technology (5^{th} Semester)	Candidates seeking admission to BS Computing programs on the basis of an Associate Degree Program (ADP) shall be eligible subject to the following conditions: 1. The applicant must have completed an ADP from a recognized institution under the semester system with a minimum **CGPA of 2.00 out of 4.00** or equivalent. 2. The applicant must have studied **Mathematics at the Intermediate (HSSC) level**.

Admission Criteria (Fall 2026)		
Sr. #	**Name of Program**	**Admission Requirements / Basic Eligibility Criteria**
		Studies/ Equivalent Education is required to be eligible for admission in M.Phil. Program. 2. The applicants shall be required to take Subject Based Entry Test and meet the qualifying criteria.
46.	MPhil Economics	MA/MSc Economics (2-year), BS (Hons.) in Economics, BS (Hons.) in Economics and Finance or equivalent qualification with economics background (minimum 2nd division for annual system and minimum 2.50 CGPA on a scale of 4.00 for semester system) from an HEC recognized institution/university. Passing GAT (general)/equivalent test as per university policy. Merit Calculation: for assessment and evaluation the University of Education, Lahore regulations shall be followed.
47.	MPhil Education	**Basic Academic Qualification:** An undergraduate degree (level 06 qualification) in the field of Education (minimum 120 credit hours) after HSSC/F.A./F.Sc/Grade 12 or Equivalent shall be required for admission in the MPhil Education. **Admission Test:** In addition to the basic eligibility, the applicant is further required to pass a rigorous admission test as an eligibility condition for admission to the program, with a pass score as prescribed by the University of Education, Lahore regulations / HEC Guidelines **Intradisciplinary[1] Qualifications**: The intradisciplinary admission may only be allowed, if: **a)** The applicant has a strong interest in pursuing an MS/MPhil/equivalent degree in a different discipline. **b)** The applicant has passed GRE-Subject/equivalent test with minimum 50% marks in the discipline of admission and has taken a minimum of 18 credit hours of deficiency courses of level 6. **c)** The admission committee is satisfied that the applicant's knowledge of primary area (level 6) has sufficiently prepared him or her to undertake the course of studies of the MS/MPhil/equivalent program (or, in the opinion of the admission committee, the preparation can be deemed satisfactory by taking a few additional courses after starting the program).
48.	MPhil English (Linguistics)	1. **Educational Qualification:** Applicants must have completed at least sixteen years of education or a four-year degree (minimum 120 credit hours) in English or an equivalent discipline after HSSC/FA/FSc/Grade 12 or an equivalent qualification. 2. **Academic Performance:** A minimum CGPA of 2.5 out of 4.0 in the semester system, or a Second Division in the annual system, in MA/BS English or an equivalent degree is required. 3. **Intradisciplinary Admission:** Candidates holding degrees in disciplines other than English will be required to complete deficiency courses and fulfill other requirements as outlined in the *UE Admission & Examination Regulations 2023 for MS/MPhil/MBA*

Admission Criteria (Fall 2026)		
Sr. #	**Name of Program**	**Admission Requirements / Basic Eligibility Criteria**
		Programs prior to the commencement of the MPhil English (Linguistics) program. 4. **Entry Test Requirement:** Applicants must pass the UE Entry Test with a minimum score of 50%. Alternatively, a score of at least 50% in the GRE (General), HAT (General), or any equivalent test conducted by an HEC-accredited testing body will also be accepted. **Note:** The *UE Admission & Examination Regulations 2023 for MS/MPhil/MBA Programs* shall apply to all admissions to the MPhil English (Linguistics) program.
49.	MPhil History, Arts and Cultural Heritage	1. Minimum CGPA 2.5 out of 4.0 in the semester system or 2nd division in the annual system in BS/MA degree in History, Pakistan Studies, Archaeology, Political Science, or equivalent in any other relevant subject of Arts & Humanities and social sciences. 2. The GRE/HAT General/Equivalent tests, with a passing score of 50% are required. 3. Other requirement notified by UE or HEC from time to time.
50.	MPhil Urdu	ایم فل اُردو میں داخلے کے لیے امیدوار کا ایم اے اُردو یا بی ایس اُردو میں 2.5 سی جی پی اے یا(سیکنڈڈویژن)درجہ دوم کے ساتھ کامیاب ہونا ضروری ہے۔ امیدوار کاUE Entry Test ٹیسٹ پاس کرنا ضروری ہے۔
51.	MS Botany	1. The pre-requisite for this program is 2-year M.Sc. or 4-year BS in Botany from HEC recognized university or degree awarding institution as per UE rules.
52.	MS Chemistry	1. The pre-requisite for this program is 2-years MSc in chemistry or 4-years BS in Chemistry from HEC recognized university or degree awarding institution as per UE rules.
53.	MS Computer Science	Sixteen years of education with CGPA of at least 2.5 (on scale of 4.0) in degree program of BS(SE/CS/IT/CE) or equivalent from HEC recognized university or degree awarding institute. An entry test will be conducted as part of the admission criteria or as per University of Education requirements. The following core courses are recommended to be completed before entering the MS (CS) program. 1. Analysis of Algorithms 2. Assembly Lang. /Computer Architecture 3. Computer Networks 4. Computer Programming 5. Data Structures 6. Database Systems 7. Operating Systems 8. Software Engineering 9. Theory of Automata A student selected for admission having deficiency in the above stated courses may be required to study a maximum of FOUR courses, which must be passed in the first two semesters. Deficiency courses shall be determined by the Graduate Studies Committee, before admitting the student. A student cannot register in MS courses, unless all specified deficiency courses have been passed. Note: Deficiency Course outlines are present at the end of SOS and available in the Bachelor of Science in Computer Science (Proposed in August 2023- as per HEC requirement) document.
54.	MS Information Technology	Sixteen years of education with CGPA of at least 2.5 (on scale of 4.0) or equivalent in science / engineering discipline preferably with 4 years' degree program of BS (SE/CS/IT/EE/CE) or equivalent from HEC recognized university or degree

Admission Criteria (Fall 2026)		
Sr. #	**Name of Program**	**Admission Requirements / Basic Eligibility Criteria**
		awarding institute. Two years of relevant work experience may be preferred. An entry test will be conducted as part of the admission criteria.
55.	MS Management Sciences	1. The eligibility of standard MS program is 16 years degree in management / business or related subjects with any specialization with minimum 1st Division in annual system or CGPA 2.5 out of 4.00 in semester system, from an HEC recognized institution/university. 2. Passing GAT (General)/equivalent test as per university policy.
56.	MS Mathematics	1. The pre-requisite for this program is 2-years MSc or 4-years BS in Mathematics from HEC recognized university or degree awarding institution as per UE Rules.
57.	MS Physics	1. The pre-requisite for this program is 2 years MSc or 4 years BS in Physics or equivalent from HEC recognized university or degree awarding institution as per UE rules.
58.	MS Zoology	1. The pre-requisite for this program is 2-year M.Sc. or 4-year BS in Zoology from HEC recognized University or degree awarding institution as per UE rules. 2. Candidate has to qualify the GRE/HAT General/Equivalent test, with a passing score of 50%, organized by University of Education, Lahore. 3. Eligibility criteria as per UE admission rules.
General Instruction for applicants of all PhD Programs regarding Entry Test **The applicants of PhD programs are required to take UE Entry Test (GAT General) administered by UE Entry Test Committee with 60% marks. Moreover, the applicants holding valid Graduate Record Examination (GRE) /HAT/ Equivalent Tests accredited by HEC will be exempted from the UE Entry Test.**		
59.	PhD Botany	1. For admission in PhD programs, a minimum CGPA of 3.0 (out of 4.0 in the semester system7) or 60% (in the annual system) in the MS/M. Phil/equivalent degree being considered for admission, is required, whether such degree was obtained from Pakistani or foreign universities. 2. If the CGPA/Percentage is not mentioned on the transcript, the candidate must produce equivalent weightage from the parent university. 3. The students having strong demonstrated interest in obtaining PhD degree, but their CGPA is below 3.00 (out of 4.0 in the semester system) or 60% marks (in the annual system) in the most recent degree obtained, may be admitted to a PhD program after fulfilling the following requirements: i. Shall study additional courses of 9-12 CH of level 7 taking a zero semester at admission awarding university/HEI/DAI and score minimum 3.00 out of 4.00 CGPA. ii. The admission committee is satisfied that the applicant's knowledge of primary area (level 7/MS/M. Phil) has sufficiently prepared him or her to undertake the course of studies of the doctoral program. iii. These requirements shall be in addition to any other requirements set in this policy for admission to a PhD program. The candidates/students will be administered as per UE Admission & Examinations Regulations for PhD Program.
60.	PhD Chemistry	M. Phil/MS degree in Chemistry or equivalent Fulfill admission requirements. The candidates/students will be administered as per UE Admission & Examinations Regulations for PhD Program.

Admission Criteria (Fall 2026)		
Sr. #	**Name of Program**	**Admission Requirements / Basic Eligibility Criteria**
61.	PhD Economics	MS/MPhil in Economics or eighteen (18) years of relevant qualification with minimum CGPA 3.00/4.00 or equivalent from an HEC recognized institution/university. Passing entry test as per university policy Fulfill admission requirement. The candidates/students will be administered as per UE Admission & Examinations Regulations for PhD Program.
62.	PhD Education	MPhil/MS degree in Education or equivalent Fulfill admission requirements. The candidates/students will be administered as per UE Admission & Examinations Regulations for PhD Program.
