

Upload Addition Poster

Note: I tried to make a video and failed for directions. I will try again later.

Learning Target:

I can add my work to a gallery

Gist:

Do your best to try and get your poster into the gallery.

Directions:

- 1) Take a picture of your final draft addition poster
- 2) Upload it to your google drive by clicking New, then upload file
- 3) Click [here](#) to open the gallery
- 4) Click insert new slide
- 5) Add your name or words if you want
- 6) Click insert - image - drive
- 7) Select the poster picture and insert it into the new slide you made
- 8) If you make a mistake, try and learn from it
- 9) If you fail, don't stress. Most things are like riding a bicycle - it takes time.
