

CARDINAL COMMUNITY CONNECTIONS COMMUNICATION

TOGETHER, WE ARE OUR BEST!

Purpose of Cardinal Community Connections Communication Updates: Increase communication to foster positive stakeholder relationships and engage the community in school happenings around accurate, transparent information as a way to nurture school community pride.

New Entry Signage

July 18, 2022

If you come to the school you may notice new signage to assist visitors entering the building. We get common complaints from visitors that don't know where to enter the building, depending on the purpose of their visit. We are hopeful the new signage over our entryways will help to direct visitors to their respective office areas where they will check in. The signage is a 'wrap' that goes around the existing header on the front entrances.
