## Analysis:

Wolfy Casino is a small online casino that supports live casino games and traditional methods of transfers. It works perfectly on both mobile and desktop devices. Wolfy casino operates under all legal limits and follows the government-reviewed systems of Curacao to secure all money transactions performed on their platform.

Wolfy Casino has a lot of interesting features such as the game's genuineness, customer support quality, fairness of terms and conditions, bonuses, decent withdrawal and win limits, and other factors.

So, if you were ever wondering whether this casino is safe and legit, Wolfy Casino is a legit small online casino. The withdrawal limit is EUR 5,000 per week and as a smaller casino, there could be a potential struggle if you manage to win really big. Aside from that, every other thing about this casino is incredible.
