Chloe: "Hey, my name is Chloe. And I'm the most popular girl in school

Mona: "Don't you mean, most unpopular girl in school"

Chloe: "(sighs) Fine, I'm not very popular". Even though I should be
(Chloe then introduces us to Mona)

Chloe: "By the way this is one of my best friends Mona"

Mona: "A.K.A, your only friend"

(Mona then looks at the fourth wall)

Mona: "Also, who are you talking to"

(pause)

Chloe: "I actually don't know Mona. But anyways, we are going to try to make me, Chloe popular

(Chloe then shows a picture she has of Maddie with the word "tramp" written on it)

Chloe: Soon I'll overtake that Maddie girl as the most popular girl in school

Maddie: Uh, no you're not

(We quickly see Maddie come by)

Maddie: And you so did not steal a picture from my room along with calling me a tramp?

Chloe: Uh yeah I did, but what are you gonna do about it?

(Maddie quickly pinches Chloe's nose)

Chloe: Ow, ow, ow! I just got a nose job yesterday. Just roll the episode before this tramp ruins my beautiful nose

(We cut to Chloe and Mona walking to school)

Chloe: "Ok! This is the day today! I just know it, this is finally when I will get popular!"

Mona: "You mean the day you fail at your hairbrained schemes once again"

Chloe: "No I mean this is the day finally when I get popular!"

Mona: "Like I said, another day for failure. So, what's your plan for popularity today?"

Chloe: "Dunno? Do you have one?."

Mona: "Does it look like I care all that much to think up of an idea?"

Chloe: "Well....."

(Both Chloe and Mona Approach the Audible Range of two guys talking about the party a popular girl, Maddie, is holding)

Boy One: "-And that is when I heard that Maddie was holding a party in a couple of days."

Boy Two: "Yeah, and everyone in our grade is invited, well, except those two weird girls"

Boy One: "You mean Chloe and Mona?"

Boy Two: "Bingo"

Chloe: "What? That tramp is having a house party?! And she had the nerve to not invite us?"

Maddie: "Well duh. Of course I didn't invite you two"

(Chloe and Mona turn around to see Maddie)

Maddie: "You two are like the biggest the most uncool girls in our grade. You Chloe for your wannabe attention whorish ways. And Mona for your pessimistic look on life. And nobody likes a pessimist."

Maddie: Oh and if you Chloe call me a tramp one more time, I'll kill you. Like I'll literally kill you and my lawyers will make sure I won't go to jail no matter how obvious the crime is.

Chloe: Yeah, yeah, yeah, fine.

Maddie: Well I best be going now. Ciao losers

Chloe: Ugh! That tra- I mean Maddie. I'm so gonna get her

Mona: How? I mean it's not like we can make Maddie disappear for the night so we can crash the party."

Chloe: (sighs) "Yeah." *(Pause)* "Wait! I got an idea! We make Maddie disappear for the night during the party, and then we can crash it!"

Mona: "Wait-..... *(sighs)*, whatever I'll go with it"

(As the Two commence their plan, Chloe goes over it as they approach the house)

Chloe: "Thankfully my sewing skills actually come in handy for once. Ok, remember the plan."

Mona: "Yep."

(Chloe knocks on the door)

Maddie's Mom: "Hello? May I help you?"

Chloe: "I, I'm Maddie's friend, I came to help Maddie with her party?"

Maddie's Mom: "Oh, that's so nice! She's upstairs trying on clothes."

Chloe: "'Oh Ok!"

(Maddie, listening to Girl Band music as she is trying on clothes, probably romantic or break up songs, a knock comes at the door.)

Maddie: "Hello?" *(She walked over to open the door.)*

Chloe (In monster costume): "Get out...!"

Maddie: "Dad, this better not be-"

(Chloe busts through the door with her makeshift Horror Costume, screaming)

Maddie: "eek! Gah!" *(She ran to the window, that was already opened it and jumped out of it.)*

Maddie's Dad *(Inside the house watching Television, the window in view)* "Oh my gosh! The Store is running furniture at 50% off!!" *(Obviously not noticing his daughter falling from view through the window and into the ground.)*

Maddie luckily fell on a trampoline, landing on it caused the trampoline to come undone and to fall into a whole, trapped in it. Mona who was humming to herself began to tie all of the rope and cables together to keep her trapped, Maddie freakinng out and squirming, all was muffled.)

Mona: "Sorry about this Maddie" *(She then put some of the dirt back into the whole, not completely burrying her, but then covering the hole with bushes.)*

(Chloe Pulls out a rope and lowers it for Mona, who climbed up it.)

Mona: "Well, that surprisingly worked."

Chloe: "Clowns, every teenage girls worst nightmare."

Mona: "Hard to believe this whole idea only costed us fifty bucks."

Chloe: "Yeah, but don't worry, it will all be worth it once this is over. Now let's go through her things and find something that can make me look like her."

(It was later in the night, soon everyone was arriving at the party, along with Maddie's parents leaving, Mona looking out the window)

Maddie's Mom: "Nice that we get to leave the house in the hands of our daughter and her friends while we go out for the night. You did check up on her right?"

Maddie's Dad: "Uh... yeah! I did!"

Mona: "Ok, the parents are leaving and people are arriving!"

Chloe: "Are you sure this was all you can find? I think this outfit makes me look fat."

Mona: "You ate the party food didn't you"

Chloe: "But it's so irresistable"

The doorbell rings

Chloe: "Let's just hope they don't notice"

(All of the kids were at the door, waiting for Maddie to let them in.)

(Chloe came down the stairs, and opened the door)

Chloe: "hello everyone!" *(silence)*

Boy One: "Maddie? You look, different?"

Boy Two: "You gained some weight or something?"

Chloe: *scorffs* "Rude!! You know I can just cancel this party right away!"

Everyone: "No no no!"

Chloe: "That's what I thought! I've been picking at the food before the party since it's literally the best."

Everyone: *chatter*

Chloe: "alright! Come on in!"

(The party started, and about thirty minutes in, everyone had settled in with the music playing and refreshments. Mona was by the snack bar)

Chloe: "Mona! I should have done this a long time ago! This plan is foolproof!"

Mona: "Enjoy while it lasts since this plan will backfire any minute from now."

Boy: "Hey Maddie, want to dance?"

Chloe: “you- you want to dance with me? Yes!”

(Chloe drags the boy to the dancefloor)

Mona: "Well maybe not right now, but soon enough

(They dance for a while, before the door busted open, it was Maddie, all dirty and disgusting)

Maddie: “Stop the party!”

Everyone: **gasp**

Maddie: “That woman is an imposter! They nabbed me, tied me up and then put me in a hole!”

Chloe: “What? Obviously I am the real Maddie, you must be crazy to think such a thing happened!”

Mona: “How did you even get out of the hole?”

Chloe: **facepalms**

Maddie: “I befriended a pair of gophers! Maybe you shouldn’t have dug the hole next to their den!”

(Everyone then stares at Chloe and Mona)

(Now Chloe and Mona were tied to chairs in the basement)

Chloe: “Ok you think that this is a bit to far for something like this?”

Mona: “I think legs are already asleep.”

Maddie: “Well you better get used to it, because Im gonna keep you both down here for a very, very, VERY long time..”

Chloe: “How long?”

Maddie: “At least for a year. Now if you excuse me, I have a party to run.”

Maddie closes the door

Chloe: "Any idea how we're gonna get out of this one

Mona: "To be honest Chloe. I don't give a flying rat's ass about the situation"

Chloe: "(BLEEP)"

THE END!
