

CREATIVE BRIEF: Supporting teachers for the new world of online education

Headline	How to support teachers in the new world of online education
Theme	
Story link?	
Editorial notes	
Summary	This article is for the Teachers Task Force and is part of a campaign that leads up to World Teachers Day (5 October). • Acknowledge how COVID-19 has changed teaching to be more remote • How will COVID-19 affect the future of education and the teaching experience - some suggest teachers need to change their mindset • What can governments do to support teachers - skills and resources they need. • Brief mention of teachers who don't have access to ICT? 700 words, please take style cues from here and include links to sources. Video: 5 ways to support teachers in the new world of online education Remember: content must be written for a teacher's point of view. Examples and arguments must focus on teacher issues.
