

Kosisky- Staff Member of the Month for March!

Congratulations to our March Staff Member of the Month, Alex Kosisky!

Born in Silver Spring, MD and a native of Columbia, MD, Mr. Kosisky is in his 15th year as a counselor. He has been a school counselor for 11 years and counting at Hammond High.

During his tenure at HaHS, he has supported the staff at Hammond and our amazing students through counseling, classroom visits and groups. Additionally, he sponsors the Ohana Mentor Program that meets weekly so that students can talk about and prepare for their futures while being assigned an adult mentor. Mr. Kosisky shares that he truly enjoys the relationships that he is able to form with our students and staff. He mentions that, “everyday is something new, and genuine kindness and care go a long way”. He lives by our HaHs motto and believes that enabling others to feel seen and heard makes our community truly special.

Mr. Kosisky shares that he is most impressed by our talented Hammond students. He notes that our students are resilient, and our teachers are strong. Our Hammond community is a place where all can feel welcomed and cared for. In particular, this is because our teachers go above and beyond for our students. Mr. Kosisky enjoys the diversity of Hammond. He learns so much from students by simply listening to them talk about their lives and experiences.

His hopes for this school year is that the cold dissipates quickly and that we finish the year strong going into spring and summer. He mentions that, “the future is NOW” and students are “locked in” for quarters 3 and 4. Mr. Kosisky loves going on field trips with the students, supporting them by attending concerts, shows and games. He is always happy to help our school community in any way possible.

Congratulations, Mr. Kosisky!
