Attending: Earl Bergquist (Garfield), Greg Kilpatrick (Vashon), Allison Obourn (UW CSE), Andy Davidson (UW HCDE), Ken Hang (Green River Community College), Dan Lafferty (Mountlake Terrace), Allison Obourn (UW CSE), Lauren Bricker (Lakeside), Hélène Martin (UW CSE)

Brief discussion on CS10K

- Alabama MOOC on CS Principles
- Mobile CS Principles from Trinity college

CSTA standard adoption at the state level

AP Reading update

- lots of need for readers
- now moved later and in Kansas City
- sample questions shown from CS Principles project

New initiative from Google go get girls involved in computing: https://www.madewithcode.com

Paul Allen Computing Challenge Recap

- ~62 registrations for part 1, 17 submissions
- all 17 showed posters
- some posters were of publishable quality
- great partnership with Living Computer Museum
- future challenge on security/cryptography?
- Hélène and Andy -- send out survey to teams who didn't submit part 1 project, raffle off a gift card

Topics for next year

- AP CS labs
- Scratch - it's a way to broaden the audience
- CS Principles
- Code.org
- School of Education - elementary school code.org professional development
- Underrepresented minority initiative
- Physical computing
- AppInventor
- TouchDevelop
- Data science -- link it to PACC, someone from Tableau
- Design process -- YouthApps challenge
- Final project ideas
- Game programming
- Security and cryptography -- Ken works with HS teams on CyberPatriot, picoCTF, HSCTF
- User-centered design process (low-fidelity prototyping, etc)

Donation from LCM

- Hire (student) intern
- Outreach advertising -- designing a logo; flyer for CTE meetings, conferences
- Clock hours for workshops
- Refreshments for workshops/meetings
- Equipment lending library
- Lesson development (pay a stipend to a teacher for packaging high-demand lessons)
- Stipend for chapter events (competitions, etc)
- PD day during October release (could be 2 day mini-conference)
- Scholarships for teacher PD
- Reward for attending N meetings (payment for PD, equipment, etc)
- Bring guest speaker

Action items

- Andy - put together job description for student employee in google doc and share
- Andy Create flyer by end of August
- Earl - send flyer to TEALS
- Ken + ?? - plan September security meeting
- Andy + Hélène - follow up with PACC registrants
- Andy -- send out PACC follow-up e-mail to participants
- Greg - send out election survey by 6/27
- Look at new website design
