

Privacy Policy

This Privacy Policy describes how our mobile game (“we”, “our”, or “the game”) handles information and protects your privacy when you use our application.

1. Information Collection

Our game does not collect personally identifiable information. We may use third-party services (such as advertising networks) that collect non-identifiable data to improve user experience and deliver relevant ads.

2. Third-Party Services

The game may display ads from third-party networks (e.g., Google AdMob, Unity Ads). These networks may use cookies or similar technologies to serve personalized ads. Please refer to their respective privacy policies for more details.

3. Children’s Privacy

Our game is intended for a general audience and does not knowingly collect data from children under 13. If you believe we have collected such information, please contact us immediately.

4. Data Security

We take reasonable measures to protect your data. However, please note that no method of transmission over the Internet is 100% secure.

5. Changes to this Policy

We may update this Privacy Policy from time to time. Any changes will be posted in the updated version of the game or on our official website.
