

Example 1

Hey [Name],

Great job on unleashing your creative potential at Winners Venture!

We're excited to announce that you have earned the esteemed "Networker" status by being actively engaged for seven consecutive days. As part of this exclusive role, you will enjoy exciting benefits that will further enhance your experience.

As a Networker, you now have the power to create custom voice channels with moderation permissions.

This means you can Kick, Mute, Rename the channel, and even set it as private, allowing you to set discussions on specific topics and create a more intimate setting for productive interactions.

Once again, congratulations on your new role and get back to grinding

Example 2

Hey [Name],

Congratulations on your consistent activity within our community!

We're thrilled to inform you that you've earned the esteemed "Networker" status by being active for 7 consecutive days. This achievement comes with fantastic perks that will enhance your experience at Winners Venture.

By becoming a Networker, you gain access to exclusive privileges, such as creating custom voice channels with moderation permissions.

As a result, you can customize discussions around specific topics and you also have the authority to kick, mute, rename, and even make channels private - a testament to your growing influence.

Your dedication and engagement have set you apart so far, and we believe this new status will unlock even more opportunities for you in the future.
