

•Back On Schedule 5

The Emperor is coming here?

EFFECT

•2-1B 3

Member of the droid pool on the rebel base of Hoth. Worked on Luke Skywalker and other members of Rogue Squadron who needed medical treatment.

POWER 0 MEDICAL DROID

Your creature vehicles forfeited from a related battleground site may be placed in your used pile. While 2-1B is at Echo Med Lab, you may restore any characters forfeit to normal at related sites.

2
6

•Ackbar's Assault Plan 5

Admiral Ackbar and General Madine's plan to eliminate the Empire had its fair share of setbacks.

EFFECT

Deploy on table. While Admiral Ackbar on table: once per turn you may take one General Calrissian, Launching The Assault, or Endor site into hand from reserve deck. (Immune to Alter)

•Begin Retreat! 6

The rebels knew when the time had come to abandon their posts.

USED OR LOST INTERRUPT

•Anakin Skywalker 2

Vader. "He can help you." "You refer to the prophecy of the one who will bring balance to the Force." "The boy is dangerous. They all sense it. Why can't you?"

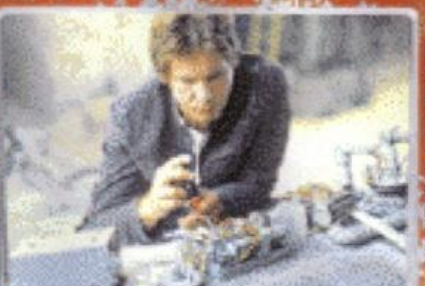

POWER 3 ABILITY 4 FORCE-SENSITIVE

Adds 3 to power of anything he pilots. At any time opponent may deploy Vader from reserve deck to replace Anakin. While present with Qui-Gon or Obi-Wan, prevents Anakin from being replaced.

3
6

•Bad Lifters And Faulty Wings 4

"No, no! No! This one goes there, that one goes there, right?"

EFFECT

Deploy on Wampa Cave if One Arm on table. All characters 'eaten' here are placed out of play. Whenever opponents' character here eaten, you may retrieve two force.

Deploy on your non-droid spy present with your captured character. This character may take one captured character present into custody during your control phase if no other light side characters present. You may release a character in your custody at a site your control.

USED: If your two gamblers are in a battle together at same site, they are both immune to attrition. LOST: If Han and your Lando are in a battle together at same site add two battle destinies.

Target Luke or any jedi present with Boba Fett. Draw destiny if X+destiny > defense value, target is captured. USED: X=1 LOST: X=3

While present at a tatooine site, once per game may search reserve deck and take R2-D2 into hand. May cancel one characters gametext present when with R2-D2.

May 'fly' (landspeed=2). During your control phase may 'sell' one non-piloted transport vehicle present to opponent. Place transport vehicle in opponents used pile and retrieve X force, where X = transport vehicle destiny - 2.

Never deploys or moves (even aboard a starship or vehicle) to a site opponent's Sith occupies. During your control phase target opponent's character that has immunity to attrition < 5 or less. Unless opponent uses or loses 1 force, that character **cumulatively** adds 1 to their immunity to attrition.

USED: Add 3 to ferocity of one creature for remainder of turn. LOST: During any control phase, one of your creatures may attack one of opponents' randomly selected characters present.

Once during each players control phase, the opposing player may use X force to retrieve a card from lost pile. Retrieval cancelled if player pays X + 1 force.

If any Death Star 'Blown away' deploy on table. All of your unique (*) rebels of ability < 3 are power + 2 and immune to attrition < 4. (Immune to Alter).

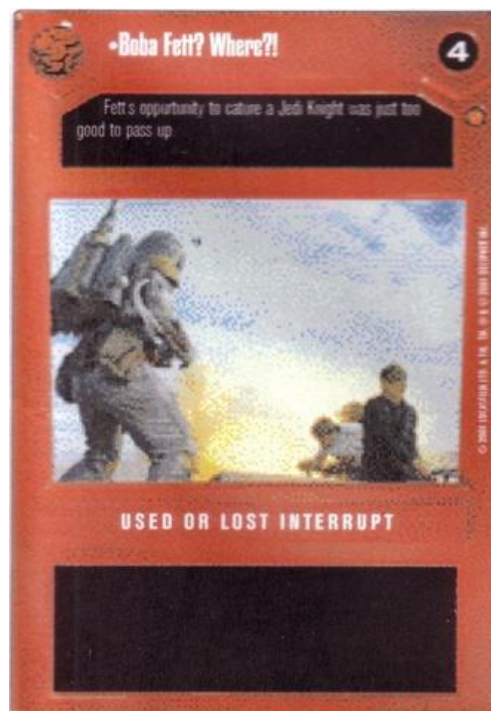

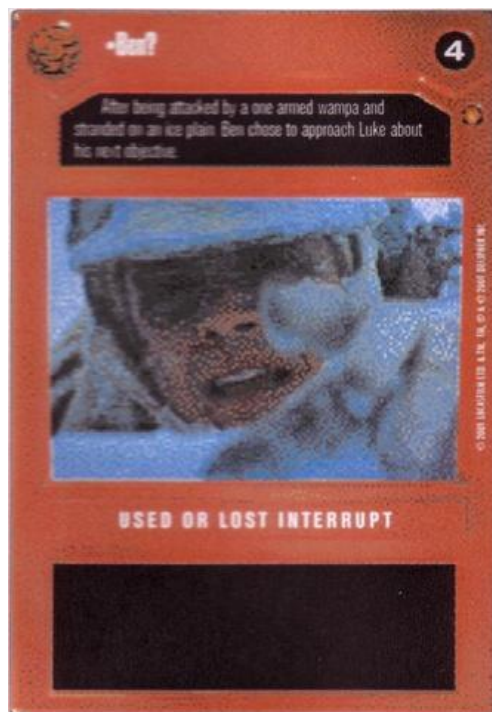

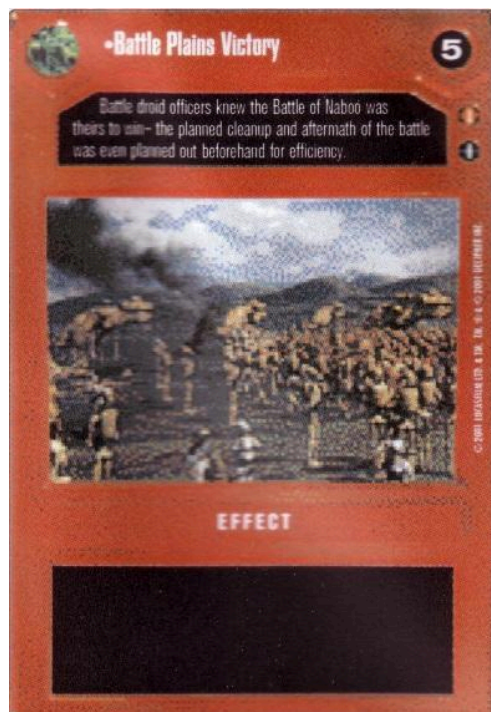

Deploy on table. All droids lost from table are stacked here. Each player that has a Jawa on table may take one droid here into hand during control phase by using X force where X = droids deploy cost.

Deploy on Droid Workshop. Where EV-9D9 present, you may cancel the game text of a droid and all cards deployed on that droid. Cancelled if opponent controls this location.

If a opponents' character is aboard a 'crashed' vehicle, place that character and vehicle in opponents' lost pile and retrieve X force, where X = pilots' destiny + vehicles destiny.

Cancel Fallen Portal or Skull. OR reduce a characters' landspeed at Rancor Pit to 0 for remainder of turn.

Deploy on Carbon Freezing Chamber. If during your control phase your bounty hunter present, target one captive present. Draw destiny. If destiny > 6, place on captive. Captive is 'frozen'. If captive released, lose Effect. (Immune to Alter)

USED: Search reserve deck and take Don't Forget The Droids into hand. LOST: Forfeit one of your protocol droids to satisfy all battle damage and attrition against you.

Deploy on Cantina, only non-imperial characters of ability < 4 are allowed here. If a disarmed character here, no battles may take place.

Deploy on Battle Plains if you have won at least one battle there. Your creature vehicles are power + 3. Force drain + 2 here. Place Effect in lost pile if you lose a battle at Battle Plains or where your creature vehicle present.

Deploy on Battle Plains if you have won at least one battle there. Your AAT's are power + 3. Force drain + 2 here. Place Effect in lost pile if you lose a battle at Battle Plains or where your AAT present.

USED: If opponent has completed jedi test #5, put yoda out of play. LOST:

USED: During your control phase fire your Antipersonnel Laser Cannon. LOST: Cause one character 'hit' by your Antipersonnel Laser Cannon to be lost.

Never deploys or moves (even aboard a starship or vehicle) to a site opponent's Jedi Master occupies. During your control phase target opponent's character of ability > 3 and less than < 7. Unless opponent uses or loses 1 force, character turns to the dark side.

Deploy on table. While Emperor on table: once per turn you may take one Jerjerrod, Death Star II site, or Endor site hand from reserve deck. (Immune to Alter)
