

3rd Annual Pumpkin Drop Off
November 5th, 2021
Compost Your Pumpkins at School!

Compost your pumpkins! The [Environmental Sustainability Committee](#) of Wakefield is working with the Wakefield schools, PTOs and School Recycling Clubs to compost as many pumpkins as we can!

On Friday, November 5th, bring your pumpkins to school. Drop your pumpkins on the tarp, which you will see by the school's main entrance. [Black Earth Compost](#) will pick them up on the Friday, November 5th at lunchtime and turn them into nutrient-rich compost.

No glitter, No plastics/googly eyes, no candle or wax. Water-based paint is okay.
