

Squash Wellington Composite Team Request Form

Please use this form to submit a composite team. Read the Appendix first, then the information below, and email a completed form to admin@squashwellington.org.nz no later than **5pm, Friday 23 May, 2025**. Please send the form as an attachment and **DO NOT** use cloud sharing services to send the form, as they often do not work.

(From Squash NZ National SuperChamps Rules 2.2.3)

Two clubs can merge to form a team if:

- a) Both clubs each have less than seven eligible and active players on their grading list in the relevant grade, or,*
- b) One club has less than seven eligible and active players on their grading list and players from another club do not make their club's team. e.g., A C2 player does not make their club team of seven top C Grade players.*

These clubs should be neighbouring, and players do not need to change club codes on the grading list for transparency.

Teams must apply to their district for approval using the composite team request form (Appendix 1). If the district

rejects the application the team will be notified their application was not successful. This requires the team to confirm all other eligible players are otherwise unavailable to participate, necessitating a composite team to allow a

team to be formed. If the district approves the application, they will submit a recommendation to SNZ for final approval prior to the district event.

Composite teams will compete under the club where the majority of players are from. If there is an even split of players from across both clubs (i.e., three players from each club), the team can decide which club to represent.

One additional eligible player may be used from a third neighbouring club to join the composite team if required to enable the composite team to compete.

Composite teams must be formed and approved prior to the district Superchamps competition they wish to participate in. After this date no new composite teams or combining of clubs can take place in order to participate in the National Finals

Teams must apply to Squash Wellington **by 5pm, Friday 23 May** for consideration.

If the district **approves** the application, they will submit a recommendation to SNZ for final approval prior to the district event.
